[A Belle in Brooklyn](#) Aug 22 2020 As the go-to girl for relationship and dating advice, this real life Carrie Bradshaw and editor at Essence magazine shares the what-to-dos and what-not-to-dos for fabulous single living. With an award-winning popular blog and an Essence magazine platform, Demetria Lucas has become a relationship guru to millions of young women with plenty of simple, direct advice. According to Lucas, most women are too focused (and stressed) on the difficulties of meeting Mr. Right to enjoy the experience. A Belle in Brooklyn celebrates the joys of singlehood, encourages personal development, and offers tools to help women increase their odds of finding a suitable mate when they are ready for one. With advice garnered from personal revelations, expert interviews with other relationship and dating gurus, and hundreds of interviews with her Male MindSquad—a committee of thirty men from varying backgrounds who answers the tough questions about sex, dating, and relationships—Lucas helps women enjoy the single life...with or without the perfect guy.

[Twelve Hours' Sleep by Twelve Weeks Old](#) Sep 22 2020 There is no bigger issue for healthy infants than sleeping through the night. In this simple, straightforward book, Suzy Giordano presents her amazingly effective "Limited- Crying Solution" that will get any baby to sleep for twelve hours at night—and three hours in the day—by the age of twelve weeks old. Giordano is the mother of five children and one of the most sought-after baby sleep specialists in the country. The Washington Post calls her a baby sleep "guru" and "an underground legend in the Washington area for her ability to teach newborns how to achieve that parenting nirvana: sleeping through the night." Her sleep plan has been tested with singletons, twins, triplets, babies with special needs, and colicky babies—and it has never failed. Whether you are pregnant, first-time parents, or parents who seek a different path with your second or third child, anyone can benefit from the Baby Coach's popular system of regular feeding times, twelve hours of sleep at night and three hours of sleep during the day, and the peace of mind that comes with taking the parent and child out of a sleep-deprived world.

[The 12 Week Year](#) Feb 20 2023 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your "year" to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

[The Fast 800](#) Dec 14 2019 Australian and New Zealand edition THE NO. 1 BESTSELLER IN AUSTRALIA AND THE UK BASED ON THE LATEST GROUNDBREAKING SCIENCE THE ULTIMATE GUIDE FROM THE CREATOR OF THE 5:2 – HOW TO COMBINE RAPID WEIGHT LOSS AND INTERMITTENT FASTING FOR LONG-TERM GOOD HEALTH AN EXCITING NEW PROGRAMME BUILT AROUND A MORE MANAGEABLE 800-CALORIE FAST DAY Six years ago, Dr Michael Mosley started a health revolution with The 5.2 Fast Diet, telling the world about the incredible power of intermittent fasting. In this book he brings together all the latest science (including a new approach: Time Restricted Eating) to create an easy-to-follow programme. Recent studies have shown that 800 calories is the magic number when it comes to successful dieting – it's an amount high enough to be manageable but low enough to speed weight loss and trigger a range of desirable metabolic changes. Depending on your goals, you can choose how intensively you want to do the programme: how many 800-calorie days to include each week, and how to adjust these as you progress. Along with delicious, low-carb recipes and menu plans by Dr Clare Bailey, The Fast 800 offers a flexible way to help you lose weight, improve mood and reduce blood pressure, inflammation and blood sugars. Take your future health into your own hands. 'I lost 16kg in the first 8 weeks and then another 6kg. I've never been healthier.' [She Reads Truth](#) Mar 29 2021 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

[Body For Life](#) Apr 29 2021 Mention the name Bill Phillips to any of the people he's helped transform and you will see their faces light up with appreciation and respect. These people include: Hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes, among them John Elway, Karl Malone, Mike Piazza, and Terrell Davis who have turned to Phillips for clear-cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life-threatening ailments who accepted a personal challenge from Bill Phillips and, with his help, have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And, you will discover Body-for-LIFE is much more than a book about physical fitness ?t's a gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know ?ot believe, but know : that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down-to-earth, Bill Phillips guides you, step by step, through the integrated Body-for-LIFE Program, which reveals: How to lose fat and increase your strength by exercising less, not more; How to tap into an endless source of energy by living with the Power MindsetTM; How to create more time for everything meaningful in your life; How to trade hours of aerobics for minutes of weight training ?ith dramatic results; How to make continual progress by using the High-Point TechniqueTM; How to feed your muscles while starving fat with the Nutrition-for-LIFE MethodTM; How thousands of ordinary people have now become extraordinary and how you can, too; How to gain control of your body and life, once and for all. The principles of the Body-for-LIFE Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book, allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.

[Body Transformation Manual](#) Mar 09 2022 Body transformations are the most sought-after type of training in the fitness world. It is now understood by the leading magazines, gym chains and industry as a whole, that training for a marathon, getting into swimming or general exercise (like squash) will not give people the bikini body or rippling six pack they would like. The simple truth is that the task is challenging and exercise is actually only about one-third of the battle. This manual gives you the information to get the exercise bit right, as well as how to manage the nutrition, sleep and stress that goes into the other, arguably more important, two-thirds. The Body Transformation Manual includes: A complete step-by-step workout plan Basic nutritional information to help you understand what you really need Explanation of when and what to eat to maximize fat loss and muscle gain Advice, tips and experience from a top London trainer Male and female specifics Proven methods from the author, and his pointers on the best methods utilized by others List of equipment needed Weight-training protocols explained Interval training (HIIT) over slow runs (LISS) explained

Trim Kids(TM) May 31 2021 If you think your chubby child will outgrow his or her weight, think again. Today's world of fast food and sedentary pastimes does little to encourage physical activity and healthy eating. One in four children in this country is unhealthily overweight, and the physical and emotional costs will shorten his or her life. But there's good news: Parents can take charge -- and *Trim Kids* shows how. This easy-to-use, scientifically tested plan helps children achieve a healthy weight -- and have fun doing it. Written by a team of medical experts with over fifteen years of experience helping overweight kids, this book will help you reverse the vicious circle of childhood obesity. *Trim Kids* is a unique twelve-week plan that gives parents and children a positive, safe initial approach to lifetime weight management. Each week, parents and kids together will practice scientifically proven ways to increase daily activity and will set (and celebrate!) achievable eating and exercise goals. Children will learn kid-specific exercises especially designed for their weight levels, and the family will enjoy dozens of menu plans with tasty, nutritious, kid-tested recipes. You'll discover easy nutrition strategies -- including shopping lists and dining-out tips -- perfect for busy caregivers, and you'll learn how to coach your child in well-established behavioral strategies for making healthier lifestyle choices away from home. The *Trim Kids* Program is based on the fifteen-year success of one of the only multidisciplinary team approaches in the world for preventing and treating childhood obesity, an approach that has been featured on Oprah, Good Morning America, CBS This Morning, and 48 Hours and in USA Today, Ladies' Home Journal, and elsewhere. No matter why your child is overweight, this book -- and its twelve-week plan -- will provide the support you need to ensure success. Soon, the whole family will be practicing new, healthier nutrition and activity habits.

Glute Lab Jul 21 2020 WALL STREET JOURNAL BEST SELLER IMPROVE YOUR PHYSIQUE, BUILD LEAN MUSCLE, AND INCREASE STRENGTH For more than twenty years, Bret “the Glute Guy” Contreras has been on a quest to improve human performance, focusing his research on the gluteus maximus, the largest muscle in the human body. What started as an effort to improve his own weak, flat backside quickly evolved when he discovered the wide range of functional movements to which the glutes contribute. Properly trained glutes not only help you lift heavier, jump higher, sprint faster, and swing harder but also help prevent knee, hip, and lower back pain and injuries. Bret went on to earn a doctorate in sports science and is now known as one of the world’s foremost experts on strength and physique training. After helping thousands of people reach their strength goals and achieve their ideal physique in his world-renowned training facilities, Bret brings you *Glute Lab*, which pulls his field-tested and scientifically proven methods and techniques together into an all-in-one glute training system that will help you develop leaner, rounder, stronger, higher-performing glutes. This all-encompassing guide explains why glute training is important for health and performance, how the glutes function, what critical role they play in the body, and how to design the optimal training program to accomplish your aesthetic and performance goals. This book offers thirty-six weeks of programming and several training templates for those who want to dive right in, breaking down each technique with step-by-step photos and descriptions. Bret also reveals the most common faults people make when performing these movements and offers hundreds of tips for getting the most out of every training session. You can implement his system in your local gym or even in the comfort of your own home. *Glute Lab* is more than just a book on glute training. These principles and methods can help you maximize muscle growth and strength, improve body composition, overcome training and physique plateaus, train around injuries and discomfort, determine ideal training frequency and exercise selection, design periodized programs, and so much more. In short, this book gives you the tools to make strength and physique gains and design balanced programs that cater to a wide range of goals and work for your entire body. Whether you’re a regular person looking to improve your appearance, an athlete looking to boost your performance, a physique competitor or bodybuilder looking for an edge over the competition, a powerlifter looking to increase your strength, a CrossFitter inspired to gain knowledge, a personal trainer interested in offering your clients cutting-edge training techniques, or a physical therapist looking to improve your clients’ health, *Glute Lab* will equip you with the information you need. In this book you will learn: The fundamentals of optimal glute training The anatomy and function of the glutes How to select exercises based on your physique and training goals How to perform the most effective exercises for sculpting rounder, stronger glutes Variations of the hip thrust, deadlift, and squat exercises Sample training templates and splits that cater to different training goals and preferences How to implement advanced methods into your training routine Diet strategies to reach weight loss and body composition goals Sample glute burnouts and templates Twelve-week beginner, intermediate, and advanced full-body training programs with a glute emphasis How to design your own customized training programs How to overcome plateaus in training, strength, and physique

Uncommon Accountability Aug 14 2022 Own your choices and discover the true meaning of accountability The implementation of true, organization-wide accountability has the potential to transform your firm’s—and your personal—performance. Unfortunately, the word “accountability” often has negative connotations, including blame, fear, and conflict. In *Uncommon Accountability*, best-selling authors and leadership strategists Brian Moran and Michael Lennington compellingly argue for a positive and affirming conception of accountability—one that stands for personal ownership of one’s goals, actions, and progress. The authors show you how to harness the power of accountability, with all of its built-in potential to enable growth and learning, improve well-being, reduce stress, and drive results. You’ll also learn to: Manage negative consequences by “holding others capable” and stop playing the blame game Shift your thinking to take real advantage of simple behavior changes that improve results and engagement Emphasize the power and importance of personal choice in every interaction Containing real-world case studies that show you how to apply the principles contained within to your own circumstances, *Uncommon Accountability* is the perfect tool to unlock the potential of your team members.

Hero Maker: 12 Weeks to Superhero Fit Sep 03 2021 A breakout training and fitness book by Hollywood trainer and former Navy SEAL, Duffy Gaver, featuring the tried and true workouts used by movie stars like Chris Pratt and Brad Pitt. Former Marine sniper and ex-navy Seal, Duffy Gaver is the unsung hero of Hollywood. As a master trainer to the stars, he has transformed the bodies of actors such as Chris Hemsworth, Chris Pratt, Scarlett Johanson, Brad Pitt and many others. He is a Hero-Maker. He gets the most out of his clients by making them rethink their lives. For Duffy, the fitness industry sells a myth: it's all about the latest and greatest fads. Back in 1965, Larry Scott won the first Mr. Olympia. There was no Nike. No thermogenic products. No supplement industry. How did he do it then? With his will, his discipline, his desire. The things that big businesses can't manufacture. The first four minute mile, the first iron man triathlon, and the first world's strongest man all took place before 99% of today's companies even existed. What does this prove? None of this stuff is necessary. Inside Hero Maker, Duffy Gaver shares the knowledge and motivational sit-downs that get his stars to take hold of their own bodies. None of these stars bought their way to their impressive physiques; they earned it with old fashioned work and dedication. He will tell you what you need to do to look super heroic, and he will show you how you too can do this if you put yourself to the task. Inside, you will also find some of his game-changing workouts to help get you there.

Small Changes, Big Results Dec 06 2021 An easy-to-start, simple-to-maintain, scientifically sound, and eminently usable twelve-week program of small steps on the road to better health Small Changes, Big Results is not about cutting all the carbohydrates out of your diet. Or replacing every single gram of sugar with omega-3 fatty acids. It's not about doing one hundred sit-ups a day, or getting on the treadmill whenever you have a free second. In fact, it's not about any of the total lifestyle-replacement gimmicks—whether diet, exercise, or pop psychology—that have swept our culture in recent years, putting untold millions of Americans on the risky roller coaster of success and failure that defines fad diets and programs. Not here. Small Changes, Big Results is about reality—the reality of what you can do, the reality of what you want to do, and the reality of what works. It's about introducing a series of small changes each week for three months in the three core areas of diet and nutrition; exercise and fitness; and emotional wellness. For each of the twelve weeks, nutritionist Ellie Krieger introduces a very finite, completely practical action plan for the week—and not only are these tasks incredibly doable, they're in fact so accessible that it's tough not to be inspired. For example, in Week 1 the nutrition task is merely to go shopping, buy some healthful pantry items, and start keeping track of what you eat; the exercise consists of taking three twenty-minute walks; and the wellness aspect is to do a five-minute breathing exercise. That's it. And it doesn't really get any harder. But these small changes do in fact lead to big results. At the end of twelve weeks, a totally unhealthy diet has been overhauled: armed with easy, delicious recipes and tips, you've removed unhelpful munchies and replaced them with healthful snacking, you've cut down on lethal trans fats while adding beneficial fat choices, you've replaced refined grains with whole grains, you're eating more fish and less red meat, and so forth. Yet you've never been forbidden to eat a single thing: instead of prohibiting entire food groups, Ellie categorizes foods as Usually, Sometimes, and Rarely—and now you should be eating more from the Usually choices, less from the Rarely category. Furthermore, you've integrated physical activity into your life, and you've developed a set of tools to help you deal with stress—you're not only eating better, but you're also exercising better and feeling better. The beauty of this program is that none of these action steps is remotely intimidating, because they're not a full immersion into a totally new lifestyle. Instead, it's a series of incremental changes—removing bad habits one by one, while at the same time adding good ones. There's nothing to scare you off—on the contrary, here's a whole book full of small changes that produce big results.

Run Your Butt Off! Jan 07 2022 Shed unwanted pounds and keep them off ONCE AND FOR ALL with Run Your Butt Off!, a back-to-basics, test panel-approved weight-loss plan and beginners' running program that yields sustainable, healthy results. The Run Your Butt Off! program is founded on the simple concept that in order to lose weight, calories burned must exceed calories consumed. No gimmicks, no shortcuts, no silver bullets can circumvent that reality. With this program, you'll learn to burn fat from both sides of the weight-loss equation—the calories in and the calories out—at the same time. Run Your Butt Off! will make you fitter, stronger, and leaner.
