*They Told Me Not to Take that Job* Jan 29 2021 When Reynold Levy became the new president of Lincoln Center in 2002, New

York Magazine described the situation he walked in to as "a community in deep distress, riven by conflict." Ideas for the redevelopment of Lincoln Center's artistic facilities and public spaces required spending more than 1.2 billion, but there was no clear pathway for how to raise that kind of unprecedented sum. The individual resident organizations that were the key constituents of Lincoln Center - the Metropolitan Opera, the New York City Opera, the New York Philharmonic, the Juilliard School, and eight others -- could not agree on a common capital plan or fundraising course of action. Instead, intramural rivalries and

disputes filled the vacuum. Besides, some of those organizations had daunting problems of their own. Levy tells the inside story of the demise of the New York City Opera, the Metropolitan Opera's need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses, and the New York Philharmonic's dalliance with Carnegie Hall. Yet despite these and other challenges, Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen-acre campus and raise the money necessary to maintain Lincoln Center as the country's

most vibrant performing arts destination. By the time he left, Lincoln Center had prepared itself fully for the next generation of artists and audiences. *They Told Me Not to Take That Job* is more than a memoir of life at the heart of one of the world's most prominent cultural institutions. It is also a case study of leadership and management in action. How Levy and his colleagues triumphantly steered Lincoln Center -- through perhaps the most tumultuous decade of its history to a startling transformation -- is fully captured in his riveting account.

*Tricks with Your Head* Jan 09

2022 “Mac King is a god.”  
—Penn and Teller Tricks with Your Head is the world’s greatest (and only) collection of hilarious, mystifying, and sometimes repulsive magic tricks that you can perform with your very own head. If you’ve only thought of your head as a receptacle for so-called higher learning, or as a structure for keeping your haircut from falling into your body cavity, rejoice! Now you can use that ten-pound meatball between your shoulders as a source of ribald entertainment. Best of all, when you learn to perform a head trick, you can never be caught without your prop. Mac King and Mark Levy have

perfected the ultimate mix of head games (literally) in this clever illustrated volume that teaches you how to: \* Make your head disappear \* Penetrate your skull with a drinking straw \* Make a french fry vanish up your nose \* Read someone’s mind \* Jab a fork in your eye

#### Take Control of Your Drinking

Jul 03 2021 This book is useful for anyone who may find that they are drinking too much, for the loved ones of such people, and for clinicians who want to broaden their skills when working with people who struggle with alcohol.

*To Begin Again* Mar 31 2021 *To Begin Again* signals the arrival of an important new voice. In

words that are as wise as they are comforting and as universal as they are specific, Rabbi Naomi Levy tells us how to survive, emotionally and spiritually, when we feel overwhelmed by grief, loss, or life itself. Her book provides a safe harbor where we can begin to reconstitute our lives. Where do we find the strength to rebuild our lives after difficult times? Is it possible to recapture our hope? Our innocence? Our faith? The answers, never simple but always inspiring, are indeed found in this wonderful book. Naomi Levy was a bright, cheerful fifteen-year-old girl who awoke to the devastating news that her father had been

shot. His senseless murder shattered her belief in God and left her feeling helpless and full of rage. But, in time, she learned to fight her way through the darkness to conquer her heartbreaking pain. She describes, with humor and extraordinary honesty, how she managed to emerge victorious over sorrow. Later, in her years as the rabbi of a congregation in Venice, California, Levy quickly learned that her own painful experiences were not unique. Many of her congregants had also suffered--divorce, addiction, rape, loss, illness. They too had searched long and hard for ways to bring joy back into their lives. A natural

and engaging storyteller, Levy weaves together her own story and the struggles of her congregants with the ancient lessons of great sages. She offers up exquisitely simple prayers, which--no matter what our religious beliefs--remind us that we are far, far stronger than we ever imagined. What emerges is a remarkable tapestry that teaches us how to mend our hearts and souls. *To Begin Again* is a book that will be passed to friends when tragedy strikes, a book that will rest at our bedside tables during troubling times. It is a testament to the human spirit--to the undying strength that enables us to make our way through whatever darkness we

may face and begin living once again.

**Escape from Exile** Sep 05 2021 While making his way home from school during a blizzard, Daniel collapses, only to reawaken in an alien new world, populated by strange, telepathic creatures and caught in the midst of a devastating civil war.

**In the Court of Appeals** May 01 2021 Excerpt from *In the Court of Appeals: Asahel S. Levy and David S. Coddington, Acting Executors of the Last Will and Testament of Uriah P. Levy, Deceased, and Acting Trustees of Said Uriah P. Levy Apellants, Against Virginia Levy, and Others, Respondets* This action was commenced

October 31, 1862, and was brought by the acting executors and trustees of Uriah P. Levy, deceased, to Obtain a judicial construction of such parts of his last will and testament as are set forth in the complaint. *The Rendezvous* Apr 19 2020

Raised by parents who came of age in the sixties and went on to achieve worldwide fame, Louise has survived their celebrity, their turbulent marriage, and the divorce that left her in the care of her devoted father and on the periphery of her mother's chaotic life. Now eighteen, Louise waits for her long-absent mother in a cafe.

Carefully balancing anticipation with the fear that her mother will once again disappoint her, she digs deep into a store of memories. Her recollections of childhood incidents bring her face to face with the reasons behind her mother's self-destructive behavior and clarify her own complicated feelings for a deeply flawed parent. Writing with wry humor and sometimes savage irony, Levy captures the essence of a love at once profoundly troubled and indestructible. Copyright © Libri GmbH. All rights reserved.

**Two-Gun Cohen** Feb 10 2022

*Talking to God* Oct 06 2021

After the publication of her

best-selling book *To Begin Again*, Naomi Levy received a flood of feedback from readers telling her how much the prayers in it had helped and moved them. Many urged her to publish a collection of her prayers—and now she has. In a time when we all need inspiration, comfort, and connection, *Talking to God* will help us reclaim prayer as an integral part of our lives, making it as natural and uninhibited as talking to our loved ones. Prayer is essential to the lives of millions, but many of us are searching for ways to supplement traditional prayers with ones that are less formal and more intimate. Written in a simple and direct

style, the prayers in this book—and the wonderful stories that accompany them—are for people of all faiths, and for all occasions large and small. Naomi Levy's personal prayers address the anxieties and roadblocks we all face in contemporary life. There are prayers for facing a new day, realizing one's potential at work, celebrating an anniversary or birthday, and going to sleep at night. And there are prayers for the more profound occurrences in life—love and marriage, pregnancy and childbirth, illness, loss, and death. Rabbi Levy's words, imbued with grace and empathy, touch on the entire range of human

experience. Many of us will recognize ourselves in her prayers and stories and will be comforted by them, as well as challenged and uplifted. Perhaps most important, they are stepping-stones for us to go on and create our own prayers, to find meaning in our own lives, and to begin or renew our own relationships with God. From the Hardcover edition. *Exam Prep for Retailing Management by Levy & Weitz, 5th Ed.* Jun 21 2020 The MznLnx Exam Prep series is designed to help you pass your exams. Editors at MznLnx review your textbooks and then prepare these practice exams to help you master the textbook material. Unlike study guides,

workbooks, and practice tests provided by the textbook publisher and textbook authors, MznLnx gives you all of the material in each chapter in exam form, not just samples, so you can be sure to nail your exam.

**De Niro** Mar 19 2020

REMARKABLE BIOGRAPHY OF AN ICON There's little debate that Robert De Niro is one of the greatest screen actors of his generation, perhaps of all time--if not, in fact, the greatest. His work, particularly in the first 20 years of his career, is unparalleled. Mean Streets, the Godfather Part II, Taxi Driver, the Deer Hunter, and Raging Bull all dazzled moviegoers and critics alike,

displaying a talent the likes of which had rarely--if ever--been seen. De Niro became known for his deep involvement in his characters, assuming that role completely into his own life, resulting in extraordinary, chameleonic performances. Yet little is known about the off-screen De Niro--he is an intensely private man, whose rare public appearances are often marked by inarticulateness and palpable awkwardness. It can be almost painful to watch at times, in powerful contrast to his confident movie personae. In this elegant and compelling biography, bestselling writer Shawn Levy writes of these many De Niros--the characters

and the man--seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature, and who now seemingly avoids acting challenges, taking roles which make few apparent demands on his overwhelming talent. Following De Niro's roots as the child of artists (his father, the abstract painter Robert De Niro Sr., was widely celebrated) who encouraged him from an early age to be independent of vision and spirit, to his intense schooling as an actor, the rise of his career, his marriages, his life as a father, restaurateur, and businessman, and, of course, his current movie career, Levy

has written a biography that reads like a novel about a character whose inner turmoil takes him to heights of artistry. His many friendships with the likes of Martin Scorsese, Meryl Streep, Harvey Keitel, Shelley Winters, Francis Ford Coppola, among many others, are woven into this extraordinary portrait of DeNiro the man and the artist, also adding a depth of understanding not before seen. Levy has had unprecedented access to De Niro's personal research and production materials, creating a new impression of the effort that went into the actor's legendary performances. The insights gained from DeNiro's intense working habits shed new

perspective on DeNiro's thinking and portrayals and are wonderful to read. Levy also spoke to De Niro's collaborators and friends to depict De Niro's transition from an ambitious young man to a transfixing and enigmatic artist and cultural figure. Shawn Levy has written a truly engaging, insightful, and entertaining portrait of one of the most wonderful film artists of our time, a book that is worthy of such a great talent. **Starry Night** Jun 14 2022 Over the centuries the starry night sky has inspired poets and scientists alike, and the fruits of these inspirations enrich each other. Acclaimed science writer Levy has traced writers

that celebrate the twin visions of human wonder and curiosity--including Shakespeare, Milton, Keats, Galileo and more--as expressed in poetry and astronomy.

**Moses Levy of Florida** Nov 19 2022 Moses Elias Levy (1782-1854) was one of the antebellum South's most influential and interesting Jewish citizens. Only recently, however, have historians begun to appreciate his role as a social activist. C. S. Monaco discovered Levy's Plan for the Abolition of Slavery in the late 1990s, and now, in the first full-scale biography of Levy, Monaco completes the picture of his life and work. Long known only as the father of

David L. Yulee, the first Jew elected to the U.S. Senate, Levy appears here in all his many, sometimes contradictory roles: abolitionist and slave owner, utopian colonizer and former arms-dealer, religious reformer and biblical conservative. Each aspect of Levy's life and character comes into sharp relief as Monaco follows him from his affluent upbringing in a Sephardic Jewish household in Morocco—where his father was a courtier to the sultan—through his career as a successful merchant shipper, to his radical reform activities in Florida. With his many residences abroad—in Morocco, Gibraltar, Danish

Virgin Islands, Puerto Rico, Cuba, Curacao, England—Levy virtually epitomized the Atlantic world, and Monaco escorts readers from country to country, considering Levy's accomplishments in each. The sole Jewish voice during the British abolitionist crusade, Levy was so extraordinary in his activism in London that some Protestants believed he heralded the millennium. In his search for equilibrium between Enlightenment thinking and pre-modern religion, Levy founded the United States' first Jewish communitarian settlement in the wilds of the East Florida frontier. As one of the region's largest landowners, he also

reintroduced sugarcane as a viable crop, organized the first Florida development corporation, helped establish the earliest free public school, and served as the territory's first education commissioner. In *Moses Levy of Florida*, C. S. Monaco offers a radical reappraisal of this complex and formerly underestimated figure, bringing to light for the first time the full and fascinating extent of his remarkable contributions to nineteenth-century America. **If Only It Were True** Jul 23 2020 What do you do when you find a stranger in your closet and she can disappear and reappear at whim? What if she then tells you that her body is

actually in a coma on the other side of town? What starts off as a dilemma that Arthur is faced with when he discovers Lauren in his apartment, becomes a heartwarming love story.

### **Brands, Consumers,**

**Symbols and Research** Nov 26 2020 This volume assembles all Sidney J. Levy's and his collaborators significant essays and studies in the field of marketing. His work includes marketing's role in management, how managers develop products and brands and how the marketplace is studied.

### **Finite Difference Equations**

Dec 08 2021 Comprehensive study of use of calculus of finite differences as an

*Anaïs Nin at the Grand Guignol* Jan 17 2020 Paris, 1933. In the aftermath of her love triangle with novelist Henry Miller and his dancer wife June, thirty-year-old Anaïs Nin is left reeling. Stifled by her bourgeois marriage, she retreats into the midnight world of the Grand Guignol, the legendary theatre of horror and fear whose devoted patrons thrill at the macabre spectacles

depicted on the black box stage. It is there that she falls under the spell of the actress Paula Maxa, known as The Maddest Woman of All Time, who awakens Anaïs to a secret realm of bewitchment and vice, of pleasure and pain. Only Maxa already belongs to Monsieur Guillard, the lustful night creature that haunts the dark streets of Pigalle. As the demon lover's insatiable hunger grows stronger by the hour, Anaïs finds herself trapped in a far more dangerous triangle, a cat-and-mouse game with Maxa's very soul as the ultimate prize.

**Moses Levy of Florida** Jan 21 2023 ?

Revelation Mar 11 2022 To

many people, the book of the Revelation is a mystery -- they're not sure what it teaches. Much of this confusion is caused by Bible teachers who step beyond the boundaries of Scripture and try to speculate about what will happen in the future -- which can lead to opinions and guesses that are seriously amiss. When it comes to the last days, how can we know for sure what the Bible says? By letting Scripture speak for itself, and by carefully separating the facts from the possibilities. That's what author David Levy does in his authoritative new commentary on Revelation, titled Revelation: Hearing the Last

Word. You'll discover a surprisingly clear picture of what we can expect in the last days and find answers to key questions such as... -- How can we know if the end times are near? -- What can we know about the Antichrist? -- In what order will the events of the last days take place? -- What will happen to Israel during the Tribulation? -- What will life be like during the Millennial Kingdom? A valuable resource that describes what we can expect as we approach earth's final hour!

[The Cost of Living](#) Aug 04 2021  
The bestselling exploration of the dimensions of love, marriage, mourning, and kinship from two-time Booker

Prize finalist Deborah Levy. A New York Times Notable Book A New York Public Library Best Nonfiction Book of 2018 What does it cost a woman to unsettle old boundaries and collapse the social hierarchies that make her a minor character in a world not arranged to her advantage? This vibrant memoir, a portrait of contemporary womanhood in flux, is an urgent quest to find an unwritten major female character who can exist more easily in the world. Levy considers what it means to live with meaning, value, and pleasure, to seize the ultimate freedom of writing our own lives, and reflects on the work of such artists and thinkers as

Simone de Beauvoir, James Baldwin, Elena Ferrante, Marguerite Duras, David Lynch, and Emily Dickinson. *The Cost of Living*, longlisted for the Andrew Carnegie Medal in Nonfiction, is crucial testimony, as distinctive, witty, complex, and original as Levy's acclaimed novels.

**Retailing Management** Sep 17 2022 *Retailing Management* by Levy and Weitz is the best-selling textbook in the retailing market. Retailing is a high tech, global, growth industry that provides challenging and rewarding career opportunities for college graduates. This book and its corresponding tools and exercises were written to expose students to

the excitement of retailing and prepare them for a career in retailing and related fields. Known for its strategic look at retailing and current coverage, this new 7th edition continues to be organized around a model of strategic decision-making. One of the major advantages of the Levy/Weitz approach is the text's readability, organization, and its emphasis on how students can come to grips with real retailing issues and be able to solve problems. The text's logical organization around a decision-making process allows readers to learn about the process of strategic decisions first before moving on to decision implementation. The

implementation decisions are broken down into merchandise management decisions and store management decisions, just as they would be in a real retailing setting. The text provides a balanced treatment of strategic, "how to," and conceptual material, in a highly readable and interesting format. The seventh edition continues its cutting edge coverage on the latest topics and developments in retailing including globalization; customer relationship management programs; multi-channel retailing; supply chain management, the use of the Internet to improve operating efficiencies and customer service; and legal, ethical and

cooperate social responsibility issues.. Students indicate that this text is a "good read" because of the numerous examples of retailers, their practices, the interesting retail facts in the margins, and eye catching design and layout.

Uriah Levy Oct 26 2020 Uriah Levy's naval career spanned the age of sail to the era of steam-driven ironclads. As one of the few Jewish Americans in the U.S. Navy, Levy was the target of prejudice and was court-martialed six times for his response to perceived insults, yet he was the only Jew who reached the rank of Flag Officer. As an advocate for the enlisted soldier, he fought for and succeeded in putting an

end to flogging in the Navy. As perhaps the first American historic preservationist, he bought and restored Jefferson's beloved but failing Monticello and opened it for public tours. In further tribute to his idol, he commissioned the statue of Jefferson that stands in the U.S. Capitol rotunda today. Drawing on archival and printed sources, British and American naval records, local records of Levy's residences, the records of several Jewish congregations in the United States, and rarely used naval court martial records, Ira Dye has produced a modern biography of Levy in the context of his time, focusing on his contributions as a naval

officer from the War of 1812 until the Civil War as well as the personal characteristics that drove him to make those contributions. Levy served in the Mediterranean during the early antebellum period when the United States was establishing a presence in that area, later commanded the Mediterranean Squadron during the turbulent years of European unrest in the 1850s, was on board the Argus during its fatal cruise in the War of 1812, and presided over one of the few documented charges of homosexual activity in the Old Navy. Rich with details of life in the sailing navy, the story of Uriah Levy is a significant contribution to antebellum

naval history.

*Potomac Jungle* Sep 24 2020

Against the backdrop of an invisible escalating war for nuclear submarine superiority, one man holds the fate of the country in his hands. President H. Stephen Thompson has nearly completed one term in office, aided by his son Harry and by Vice President Clifford Hawley, but the medical report from the Bethesda Naval Hospital has confirmed that the President's health is deteriorating. He suffers ominous memory losses that cause him to forget the names of important senators...and important matters of state. Now, on the eve of the upcoming nominating

convention, President Thompson is embroiled in a struggle for survival, a battle for power driven by the ambitious Vice President and a secret self-appointed committee. As the Committee threatens to implement the 25th Amendment-the Constitution's provision for the succession of power-President Thompson is confronted with contradictory loyalties: his wife, Kathy, cannot suppress her feelings for Vice President Hawley but is determined to hold on to her position as First Lady; his son, Harry, works for the Vice President, but is keenly aware of his father's brilliance. The President's political allies and Cabinet

members are dividing over the issue of the President's health, and of the necessity for proceeding with Red Dye Day, the secret technological breakthrough in the deadly game of underwater nuclear warfare with the Russians. Will the implementation of Red Dye Day be read by the Kremlin as a provocative act? Power, passion, and ambition lurk in this suspenseful novel, where the jungle world of Washington politics is starkly revealed. Facebook Apr 12 2022 One of the Best Technology Books of 2020—Financial Times “Levy’s all-access Facebook reflects the reputational swan dive of its subject. . . . The result is evenhanded and

devastating.”—San Francisco Chronicle “[Levy’s] evenhanded conclusions are still damning.”—Reason “[He] doesn’t shy from asking the tough questions.”—The Washington Post “Reminds you the HBO show Silicon Valley did not have to reach far for its satire.”—NPR.org The definitive history, packed with untold stories, of one of America’s most controversial and powerful companies: Facebook As a college sophomore, Mark Zuckerberg created a simple website to serve as a campus social network. Today, Facebook is nearly unrecognizable from its first, modest iteration. In light of recent controversies

surrounding election-influencing “fake news” accounts, the handling of its users’ personal data, and growing discontent with the actions of its founder and CEO—who has enormous power over what the world sees and says—never has a company been more central to the national conversation. Millions of words have been written about Facebook, but no one has told the complete story, documenting its ascendancy and missteps. There is no denying the power and omnipresence of Facebook in American daily life, or the imperative of this book to document the unchecked power and shocking techniques

of the company, from growing at all costs to outmaneuvering its biggest rivals to acquire WhatsApp and Instagram, to developing a platform so addictive even some of its own are now beginning to realize its dangers. Based on hundreds of interviews from inside and outside Facebook, Levy’s sweeping narrative of incredible entrepreneurial success and failure digs deep into the whole story of the company that has changed the world and reaped the consequences.

**Industrial/Organizational Psychology** Dec 28 2020

Written by a leading researcher in one of the nation's top I/O programs, Paul Levy's text has

long been acclaimed for its concise, research-based approach, personable writing style. The new edition again offers a thoroughly contemporary perspective on the field, with the latest research and new ways for students to explore what's happening in I/O psychology today.

Richard C. Levy's Secrets of Selling Inventions May 13 2022  
**The Quest for Comets** Oct 18 2022

The Broadview Introduction to Book History Dec 16 2019 Book history has emerged in the last twenty years as one of the most important new fields of interdisciplinary study. It has produced new interpretations

of major historical events, has made possible new approaches to history, literature, media, and culture, and presents a distinctive historical perspective on current debates about the future of the book.

The Broadview Introduction to Book History provides the most comprehensive and up-to-date introduction to this field.

Written in a lively, accessible style, chapters on materiality, textuality, printing and reading, intermediality, and remediation guide readers through numerous key concepts, illustrated with examples from literary texts and historical documents produced across a wide historical range. An ideal text

for undergraduate and graduate courses in book history, it offers a road map to this dynamic inter-disciplinary field.

### **The Man Who Saw**

**Everything** Feb 16 2020

Longlisted for the Booker Prize  
Named a Best Book of the Year  
By: The New York Times Book Review (Notable Books of the Year) \* The New York Public Library \* The Washington Post \* Time.com \* The New York Times Critics' (Parul Seghal's Top Books of the Year) \* St. Louis Post Dispatch \* Apple \* Publisher's Weekly  
An electrifying novel about beauty, envy, and carelessness from Deborah Levy, author of the Booker Prize finalists Hot Milk

and Swimming Home. It is 1988 and Saul Adler, a narcissistic young historian, has been invited to Communist East Berlin to do research; in exchange, he must publish a favorable essay about the German Democratic Republic. As a gift for his translator's sister, a Beatles fanatic who will be his host, Saul's girlfriend will shoot a photograph of him standing in the crosswalk on Abbey Road, an homage to the famous album cover. As he waits for her to arrive, he is grazed by an oncoming car, which changes the trajectory of his life. The Man Who Saw Everything is about the difficulty of seeing ourselves

and others clearly. It greets the specters that come back to haunt old and new love, previous and current incarnations of Europe, conscious and unconscious transgressions, and real and imagined betrayals, while investigating the cyclic nature of history and its reinvention by people in power. Here, Levy traverses the vast reaches of the human imagination while artfully blurring sexual and political binaries-feminine and masculine, East and West, past and present--to reveal the full spectrum of our world.

**Julien Levy** May 21 2020 This book, which accompanies a retrospective exhibition on the Julien Levy Gallery in New

York, includes reproductions of paintings, photographs, and film stills from museum and private collections, as well as of art and ephemera from Levy's own collection.

**Causes of War** Feb 22 2023

**The Rules Do Not Apply** Oct 14 2019 When Ariel Levy left for a reporting trip to Mongolia in 2012, she was pregnant,

married, financially secure, and successful on her own terms. A month later, none of that was true.

**Einstein and the Rabbi** Aug 24 2020 Winner of the 2017 Nautilus Award in the Religion/Spirituality of Western Thought category A bestselling author and rabbi's profoundly affecting exploration of the meaning and purpose of the soul, inspired by the famous correspondence between Albert Einstein and a grieving rabbi. "A human being is part of the whole, called by us 'Universe,' a part limited in time and space. He experiences himself, his thoughts, and feelings as something separate from the rest—a kind of optical

delusion of his consciousness...” —Albert Einstein When Rabbi Naomi Levy came across this poignant letter by Einstein it shook her to her core. His words perfectly captured what she has come to believe about the human condition: That we are intimately connected, and that we are blind to this truth. Levy wondered what had elicited such spiritual wisdom from a man of science? Thus began a three-year search into the mystery of Einstein’s letter, and into the mystery of the human soul. What emerges is an inspiring, deeply affecting book for people of all faiths filled with universal truths that will help us reclaim our own

souls and glimpse the unity that has been evading us. We all long to see more expansively, to live up to our gifts, to understand why we are here. Levy leads us on a breathtaking journey full of wisdom, empathy and humor, challenging us to wake up and heed the voice calling from within—a voice beckoning us to become who we were born be.

**Aspects of Dialectical Materialism. (Essays.) By H. Levy [and Others].** Jun 02 2021

**Shoemaker by Levy - The Man Who Made an Impact**

Jul 15 2022 It was a lucky twist of fate when in the early 1980s David Levy, a writer and amateur astronomer, joined up

with the famous scientist Eugene Shoemaker and his wife, Carolyn, to search for comets from an observation post on Palomar Mountain in Southern California. Their collaboration would lead to the 1993 discovery of the most remarkable comet ever recorded, Shoemaker-Levy 9, with its several nuclei, five tails, and two sheets of debris spread out in its orbit plane. A year later, Levy would be by the Shoemakers' side again when their comet ended its four-billion-year-long journey through the solar system and collided with Jupiter in the most stunning astronomical display of the century. Not only did this collision revolutionize

our understanding of the history of the solar system, but it also offered a spectacular confirmation of one scientist's life work. As a close friend and colleague of Shoemaker (who died in 1997 at the age of 69), Levy offers a uniquely insightful account of his life and the way it has shaped our thinking about the universe. Early in his training as a geologist, Shoemaker suspected that it wasn't volcanic activity but rather collisions with comets and asteroids that created most of the craters on the moon and most other bodies in the solar system. Convincing the scientific community of the plausibility of "impact theory,"

and revealing its power for penetrating mysteries such as the extinction of the dinosaurs and the timing of the Earth's eventual demise, became Shoemaker's mission. Through conversations with Shoemaker and his family, Levy reconstructs the journey that began with a young geologist's serious desire to go to the moon in the late 1940s. Sent by the government to find a way to harvest plutonium, Shoemaker instead found evidence in desert craters for what became his impact theory. While he never became an astronaut, he did become the first geologist hired by NASA and subsequently set the research agenda for the first

manned lunar landing. After a series of victories and setbacks for Shoemaker, the collision of Shoemaker-Levy 9 with Jupiter provided the most convincing proof to date of the role of impacts in our solar system. Levy's explanation of the scientific reasoning that guided Shoemaker in his career up to this dramatic point--as well as his personal portrait of a man who found white-water rafting to be an easy way to relax--sets these fascinating events in a human scale. This biography shows what Shoemaker's legacy will be for our understanding of the story of the Earth well into the twenty-first century.

2022 In the tradition of Neil  
Gaiman (*The Ocean at the End  
of the Lane*), Scott Smith (*The  
Ruins*), and Jason Mott (*The  
Returned*), award-winning  
playwright Robert Levy spins a  
dark tale of alienation and  
belonging, the familiar and the  
surreal, family secrets and the  
search for truth in his debut  
supernatural thriller. AS A  
BOY, HE VANISHED INTO  
THE WOODS. SOMETHING  
ELSE CAME BACK. When up-  
and-coming chef Michael  
“Blue” Whitley returns with  
three friends to the remote  
Canadian community of his  
birth, it appears to be the

perfect getaway from New  
York. He soon discovers,  
however, that everything he  
thought he knew about himself  
is a carefully orchestrated lie.  
Though he had no recollection  
of the event, as a young boy,  
Blue and another child went  
missing for weeks in the idyllic,  
mysterious woods of Starling  
Cove. Soon thereafter, his  
mother suddenly fled with him  
to America, their homeland left  
behind. But then Blue begins to  
remember. And once the  
shocking truth starts bleeding  
back into his life, his closest  
friends—Elisa, his former  
partner in crime; her stalwart  
husband, Jason; and Gabe,  
Blue’s young and admiring  
coworker—must unravel the

secrets of Starling Cove and  
the artists’ colony it once  
harbored. All four will face  
their troubled pasts, their most  
private demons, and a  
mysterious race of beings that  
inhabits the land, spoken of by  
the locals only as the Other  
Kind...

nominated Deborah Levy's Living Autobiography—a boldly intimate meditation on home and the specters that haunt it. “Three bicycles. Seven ghosts. A crumbling apartment block on the hill. Fame. Tenderness. The statue of Peter Pan. Silk. Melancholy. The banana tree. A love story.” Virginia Woolf wrote that in order to be a writer, a woman needs a room of one's own. Now, in Real Estate, acclaimed author Deborah Levy concludes her

ground-breaking trilogy of living autobiographies with an exhilarating, boldly intimate meditation on home and the specters that haunt it. In this vibrant memoir, Levy employs her characteristic indelible writing, sharp wit, and acute insights to craft a searing examination of the poetics and politics of ownership. Her inventory of possessions, real and imagined, pushes readers to question our cultural understanding of belonging

and belongings and to consider the value of a woman's intellectual and personal life. Blending personal history, gender politics, philosophy, and literary theory, Real Estate is a brilliant, compulsively readable narrative about the search for home.

It Wasn't Me Nov 14 2019

When Theo's photography project is mysteriously vandalized at school there are five suspected students who all say "it wasn't me."
