Networking Smart Apr 19 2020 The ability to build business and personal networks can make

or break a career, or a company. This business bestseller teaches entrepreneurs, change agents, and corporate executives to boost their effectiveness, influence, and happiness by building powerful networks. Named “ one of the top 30 business books of 1994 ” by Executive Book Summaries, and a main selection of the Business Week and Newbridge Book Clubs.

Immediate Savings in Personal and Company Taxes Dec 20 2022

Safer Sex in Personal Relationships May 01 2021 This book focuses on safer sex discussion and practice in close, personal relationships, emphasizing research on individuals in personal relationship types that are experiencing a rise in HIV infection and AIDS. Moving beyond studies of gay adult males and IV drug-users, this work paints a clear picture of the very real risk that exists for these less-studied, more general populations, so individuals may better personalize the risk and engage in more preventative measures. Authors Tara M. Emmers-Sommer and Mike Allen examine issues surrounding safer sex, utilizing research that focuses on how individuals struggle with personalizing the HIV and AIDS risk and how they cope with safer sex issues. Safer Sex in Personal Relationships takes readers on a journey through a variety of close relationship types. It begins by highlighting awareness to the global enormity of HIV and AIDS and providing a link between the global and personal, and the need to make HIV and AIDS awareness part of everyday talk and personal relationship structure. It then focuses on: \*safer sex in close relationships, both heterosexual and homosexual; \*marital relationships and the importance of safe sex discussion and awareness in marriages; \*HIV and AIDS from a multicultural perspective; \*HIV and AIDS in aged populations; and \*increasing awareness, understanding, and compassion of those living with HIV and AIDS. This book will appeal to scholars and students concerned with HIV and AIDS in personal relationships. It will be an invaluable text for courses on interpersonal communication and relationships; family, marital, human sexuality, sex and gender, gay and lesbian relationships, and sexual education; and relational conflict across communication, psychology, and sociology disciplines.

Understanding Research in Personal Relationships Jun 21 2020 `The main strengths of the book are its uniqueness... its mix of emphasis on methods, statistics, and ideas, its commentaries by the authors, and the well-chosen journal articles' - John Harvey, University of Iowa Understanding Research in Personal Relationships is a comprehensive introduction to the key readings on human and close relationships. Organized into twelve thematic chapters with editorial commentary throughout, the Editors offer a critical reading of the major research articles in the field of relationship studies published in the last few years. Scholarly papers, two per chapter, are presented in an abridged form and critiqued in a carefully structured way that instructs students on the way to read research, and to critically evaluate research in this field. The book, therefore, has a thoroughly didactic focus as the student is given historical, theoretical and methodological contexts to each article as well as an explanation of key terms and ideas. Key features about this book: - Cross-Disciplinary use -

an excellent book for all students taking human relationship modules in psychology, communication studies, sociology, social work, family studies and other subjects across the social sciences. - Maps onto course teaching - ideal for 12 week semester term course, covering major themes such as love, attraction, conflict and social networks. - Pedagogical - 'How to use this book' section at the start; chapter introductions and summaries throughout; glossary of key terms highlighted throughout the book at the end of the text. This text is essential reading for undergraduate and postgraduate students wanting a straightforward, didactic guide to understanding research on human relationships.

Learning in Relationship Nov 07 2021

The Psychology of Personal Constructs Jul 15 2022 First published in 1992. Unavailable for many years this is a reissue of George Kelly's classic work. It is the bible of personal construct psychology written by its founder. The first volume presents the theory of personal construct psychology.

Curriculum for Personal and Social Education Feb 10 2022 First Published in 1999. Routledge is an imprint of Taylor and Francis, an informa company.

Sex and Gender Differences in Personal Relationships Apr 12 2022 Challenging a commonly held assumption that men and women hail from different psychological and social "planets," this illuminating work reexamines what the empirical research really shows about how the sexes communicate in close relationships. The volume demonstrates that stereotypical beliefs about men and women fail to predict their actual interaction behavior, and highlights evidence of similarities - as well as differences - between the two groups. Setting forth an integrative theory of gender differences, the authors propose that communication behavior in different activities is the means by which sex and gender role expectations are created and sustained. This volume is suitable for students, scholars, and researchers in communication, social psychology, marriage and family studies, and gender studies as well as clinicians working with individuals, couples, and families.

Skills for Personal & Family Living Oct 14 2019 Skills for Personal & Family Living, a comprehensive Family and Consumer Sciences text for the secondary level, helps students meet the challenges of their daily lives with confidence. They will learn practical skills for making decisions at home, school, and in the workplace. Career features called "Career Times" describe various careers, their preparation requirements, and personal qualities needed to succeed. New topics include accepting responsibility for decisions and their consequences, influences on behavior and decisions, promoting cultural diversity, preparing resumes, clothing label laws, multisize patterns, and trends in housing. Teacher's Resource CD includes the contents of the Teacher's Resource Portfolio and the GW Test Creation Software on one CD.

Practice of the Superior Courts of Law, in Personal Actions, and Ejectment, Etc., So Far as it is Altered, Or Affected by the Late Statutes for the Amendment of the Law, Etc. and the Rules of Court, and Decisions Thereon ; Arranged in the Order of the Ninth Edition of

Paired-associate Learning by Schizophrenic Subjects Under Conditions of Personal and Impersonal Reward and Punishment Nov 26 2020

Reflections in Personal Construct Theory May 13 2022 Internationally-renowned practitioners discuss the impact of reflexivity on their work, giving those new to personal construct psychology valuable insights and guidance on managing the therapeutic relationship. Reflexivity is a key methodological issue in psychological theory and practice, and is an area of growing interest International contributors include prominent constructivist psychologists such as Richard Bell and David Winter Will help constructivist therapists to gain a better understanding of the nature of personal constructs from the perspective of both client and therapist

Racialized Politics of Desire in Personal Ads Feb 27 2021 The essays in Racialized Politics of Desire in Personal Ads explore complex intersections among the social categories of race, gender and sexuality within personal ads, revealing a dynamic tapestry of power relations and hierarchies. The ephemeral nature of personal ads, their anonymity, the space limitations, and the linguistic encoding characteristic of the genre make it an interesting and important opportunity to witness the performative nature of identity politics.

Doing Academic Writing in Education Mar 19 2020 This clear, reader-friendly book is carefully designed to help readers gain confidence and acquire competence in their academic writing abilities. It focuses on real people as they write and actively involves readers in the writing process. The authors' innovative approach encourages reflection on how professional writing initiatives connect to the personal self. For pre-service and in-service teachers, graduate students, school administrators, educational specialists, and all others involved in the educational enterprise, effective writing is important to professional success. Organized to help the reader move progressively and confidently forward as a writer of academic prose, Doing Academic Writing in Education: Connecting the Personal and the Professional features: \*activities to engage readers in connecting their writing endeavors to their personal selves, and in discovering their own writing attitudes, behaviors, strengths, and problem areas; \*practical applications to inform and support the reader's writing initiatives--including opportunities to engage in invention strategies, to begin a draft, to revise and edit a piece of writing that is personally and professionally important, and to record reflections about writing; \*the voices of the authors and of graduate students who are pursuing a variety of academic writing tasks--to serve as models for the reader's writing endeavors; and \*writing samples and personal stories about writing shared by experts in various contexts--offering hints about conditions, self-reflections, and habits that help them write effectively. All students and professionals in the field of education will welcome the distinctive focus in this book on connecting the personal and the professional, and the wealth of practical applications and opportunities for reflection it provides.

Business Is Personal Sep 17 2022 Business is Personal shares the areas of business that are rarely discussed, but have been learned the hard way by Penny and others. The emotions we need to understand, the mind we can be in control of, and tools Penny learned, following years of hard work and many challenging moments.

Perceptions of Relational Devaluation in Personal and Professional Relationships Jul 03 2021

Personal & Authentic Feb 22 2023 In Personal & Authentic, Thomas C. Murray reveals the power of designing awe-inspiring experiences that are grounded in relationships and learner-centered by design. Inherently relevant and contextualized, it is this kind of learning that lasts a lifetime.

A Comparison of Personal and Social Development and Interest Patterns Between Matched Groups of Ninth Grade 4-H and Non-4-H Members in Ten Wisconsin Rural Communities Sep 24 2020

Personal and Archetypal Dynamics in the Analytical Relationship Sep 05 2021 The 11th International Congress for Analytical Psychology was held in Paris from August 28 through September 2, 1989. It is no surprise that the theme of Personal and Archetypal Dynamics in the Analytical Relationship succeeded in drawing widely varying and controversial responses. More than ever before the fifty-five contributors of papers represent Jungian groups from around the globe in every sense. However, while differences of approach are evident throughout this fascinating collection, so too is an ever more significant sense of synthesis: in the end we all share a common task.

A Study of Personal and Cultural Values Jan 29 2021 This study analyzes American, Vietnamese and Japanese personal values, attempting to understand how it can be ethnographers find large differences in values between cultures, yet empirical surveys find relatively small, almost trivial differences in personal values between cultures.

Personal Intelligence Jan 17 2020 John D. Mayer, the renowned psychologist who co-developed the groundbreaking theory of emotional intelligence, now draws on decades of cognitive psychology research to introduce another paradigm-shifting idea: that in order to become our best selves, we use an even broader intelligence—which he calls personal intelligence—to understand our own personality and the personalities of the people around us. In Personal Intelligence, Mayer explains that we are naturally curious about the motivations and inner worlds of the people we interact with every day. Some of us are talented at perceiving what makes our friends, family, and coworkers tick. Some of us are less so. Mayer reveals why, and shows how the most gifted "readers" among us have developed "high personal intelligence." Mayer's theory of personal intelligence brings together a diverse set of findings—previously regarded as unrelated—that show how much variety there is in our ability to read other people's faces; to accurately weigh the choices we are presented with in relationships, work, and family life; and to judge whether our personal life goals conflict or

go together well. He persuasively argues that our capacity to problem-solve in these varied areas forms a unitary skill. Illustrating his points with examples drawn from the lives of successful college athletes, police detectives, and musicians, Mayer shows how people who are high in personal intelligence (open to their inner experiences, inquisitive about people, and willing to change themselves) are able to anticipate their own desires and actions, predict the behavior of others, and—using such knowledge—motivate themselves over the long term and make better life decisions. And in outlining the many ways we can benefit from nurturing these skills, Mayer puts forward an essential message about selfhood, sociability, and contentment. *Personal Intelligence* is an indispensable book for anyone who wants to better comprehend how we make sense of our world.

The Development of a Resource Unit on Personal and Family Relationships as a Contribution to the Revision of the Course of Study "A Guide in Education for Homemaking in Puerto Rico". Aug 24 2020

Transforming Conflict through Communication in Personal, Family, and Working Relationships Oct 06 2021 A transformational approach to conflict argues that conflicts must be viewed as embedded within broader relational patterns and social and discursive structures. Central to this book is the idea that the origins of transformation can be momentary, situational, and small-scale or large-scale and systemic. The momentary involves shifts and meaningful changes in communication and related patterns that are created in communication between people. Momentary transformative changes can radiate out into more systemic levels, and systemic transformative changes can radiate inward to more personal levels. This book engages this transformative framework by bringing together current scholarship that epitomizes and highlights the contribution of communication scholarship and communication-centered approaches to conflict transformation in personal, family, and working relationships and organizational contexts. The resulting volume presents an engaging mix of scholarly chapters, think pieces, and personal experiences from the field

of practice and everyday life. The book embraces a wide variety of theoretical and methodological approaches, including narrative, critical, intersectional, rhetorical, and quantitative. It makes a valuable additive contribution to the ongoing dialogue across and between disciplines on how to transform conflicts creatively, sustainably, and ethically.

Caring for People God's Way Feb 16 2020 This book provides biblical solutions for today's tough issues. The American Association of Christian Counselors (AACC) brings together more than twenty leading Christian counseling professionals to form one comprehensive integration resource specializing in personal, emotional, grief, loss, and trauma issues. I Never Knew I Had A Choice: Explorations in Personal Growth Jun 02 2021 Thousands of readers have used the honest and inspiring *I NEVER KNEW I HAD A CHOICE: EXPLORATIONS IN PERSONAL GROWTH*, now in its Tenth Edition, to focus on their personal growth and effect personal change. Through their warm yet thoroughly research-based discussion of significant dimensions of life, Corey and Corey help students expand their awareness--and understanding--of the choices available to them. The text explores choosing a personal style of learning, the effects of childhood and adolescence experiences on current behavior, meeting the challenges of adulthood and autonomy, and many other issues related to personal growth and development. As they work through the text's self-inventories, exercises, and activities--and read first-person accounts of the difficult choices real people have made--students will gain insight into their lives, beliefs, and attitudes in a personally empowering way. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Rise and Practice of Imprisonment in Personal Actions Examined; and a Mode of Proceeding Offered, Reconciling the Ancient and Modern Practice, in Aid Both of Debtor and Creditor. By a Barrister at Law [i.e. Thomas Hallie Delamayne]. Oct 26 2020

A Hierarchical Analysis of Personal and Institutional Influences on College Student Departure Mar 31 2021

The Book of Choices Jan 09 2022 The premise of this book is that our lives are simply an accumulation of the thousands of decisions, large and small, that we make every day. The *Book of Choices* consists of 77 short chapters, each on a fundamental life choice. The chapter consists of a meditation illuminating the nature of that choice, followed by carefully selected

quotations from history's greatest thinkers, teachers, and doers. The Book of Choices also contains a biographical index of these great men and women.

Financial Wisdom Aug 16 2022 Financial Wisdom is not just another book on household budgeting. It is rather a manual of timeless principles that work in every culture and era and also in any situation. While full of practical ideas, Financial Wisdom focuses on over 150 verses from the book of Proverbs that touch on finances. This simple, down-to-earth biblical guide will reveal - what two decisions to make to never have another financial problem; - the six most common mistakes made in finances; - what the symptoms of greed are; - how to understand the single highest priority in finances; and - the nine ageless principles of finances found in Scripture. Dr. Pollock will help you understand how to make things right for yourself, your family, your business, and ministry.

Closeness in Personal and Professional Relationships Jan 21 2023 When is a relationship too close, and when is it not close enough? How intimate can or should be the relationship between therapist and client, doctor and patient, supervisor and trainee? These questions of pressing concern—especially where power imbalances and ethical issues complicate relationships—are addressed by Joseph L. Henderson, June Singer, Peter Rutter, Montague Ullman, Diane Wood Middlebrook, Harry A. Wilmer, and eight other writers. Includes a foreword by Maya Angelou.

Personal Demons Dec 16 2019 Frannie Cavanaugh is a good Catholic girl with a bit of a wicked streak. She has spent years keeping everyone at a distance---even her closest friends---and it seems as if her senior year is going to be more of the same . . . until Luc Cain enrolls in her class. No one knows where he came from, but Frannie can't seem to stay away from him. What she doesn't know is that Luc is on a mission. He's been sent from Hell itself to claim Frannie's soul. It should be easy---all he has to do is get her to sin, and Luc is as tempting as they come. Frannie doesn't stand a chance. But he has to work fast, because if the infernals are after her, the celestials can't be far behind. And sure enough, it's not long before the angel Gabriel shows up, willing to do anything to keep Luc from getting what he came for. It isn't long before they find themselves fighting for more than just Frannie's soul. But if Luc fails, there will be Hell to pay . . . for all of them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Changes in Personal and Social Development During a One Semester Gainful Employment Foods Class Oct 18 2022

Implications of Social Media Use in Personal and Professional Settings Jun 14 2022 Social technology is quickly becoming a vital tool in our personal, educational, and professional lives. However, while social networking helps the world stay connected, its use must be

further examined in order to determine any possible pitfalls associated with the use of this technology. *Implications of Social Media Use in Personal and Professional Settings* investigates the paradoxical nature of social networking in our personal lives and in the workplace. Highlighting emergent research and psychological impacts, this publication is an indispensable reference source for academics, researchers, and professionals interested in the application of social media, as well as the positive aspects and detrimental effects of the usage of these technologies.

Evaluation of Personal and Social Adjustment Dec 08 2021

*Personal and Professional Growth for Health Care Professionals* Mar 11 2022 *Personal and Professional Growth for Health Care Professionals* blends aspects of professional development with issues related to personal development. Personal and professional development are inextricably linked because one cannot develop as a professional devoid of the personal insights related to personality, character, cognitions, emotions, and the cultural and generational constraints. Includes use of multi-stage model of professional development: perception, judgment, motivation, prioritization, decision process, and professional implementation. Offers Case Studies, Questions, and Issues for Discussion at the end of each chapter. This is an excellent resource to prepare students for career readiness.
