That Rule Doesn't Apply to Me! May 18 2020 The rules keep getting in the way of Noodle's fun. Rules for this, rules for that. There are so many rules! Can Noodle be convinced that rules are meant to help, not harm him?

Back-to-School Rules Aug 13 2022 School's in session! When it comes to surviving school, Percy's at the head of the class. If you can follow his ten simple rules, making the grade will be a piece of cake (and school will be a lot of fun). But there's more to school than showing up on time and staying awake in class. If you have any doubts, Percy also shows exactly what not to do. • No spitballs! • No running in the halls! • No bouncing off the ceiling! • No crazy scheming! See what other trouble—and tips—Percy has in mind!

Know and Follow Rules Feb 07 2022 A child who can't follow rules is a child who's always in trouble. This book starts with simple reasons why we have rules: to help us stay safe, learn, be fair, and get along. Then it presents just four basic rules: "Listen," "Best Work," "Hands and Body to Myself," and "Please and Thank You." The focus throughout is on the positive sense of pride that comes with learning to follow rules. Includes questions and activities adults can use to reinforce the ideas and skills being taught.

School Rules! Nov 16 2022 "Cassandra LOVES school -- so much that she never, ever wants to leave! One Friday, Cassandra decides she is going to stay at school. She stays after the nice teacher leaves. She stays while the janitor with a tattoo mops the floors. She stays after the mean principal turns off all the lights and goes home. She plays with the plasticine and the unit blocks until after dark, when her mom and dad realize she is not at the dinner table. They go to the school and take her back home. The next day, Cassandra gets up and puts her school clothes on. Her parents explain that it's Saturday and there is NO school on Saturday. But Cassandra takes her bike and heads off anyway -- but the school is locked. On her way back home she goes by the School Store and places an order. The next day is Sunday, and Cassandra looks out the window to find a brand-new red-brick school with a nice teacher, a mean principal, and a janitor with tattoos -- in her back yard. She runs out the door, into her new school, sits down at a desk in the classroom with the nice teacher, and plays with the unit blocks and plasticine!"--

The Smart Classroom Management Way Apr 09 2022 The Smart Classroom Management Way is a collection of the very best writing from ten years of Smart Classroom Management (SCM). It isn't, however, simply a random mix of popular articles. It's a comprehensive work that encompasses every principle, theme, and methodology of the SCM approach. The book is laid out across six major areas of classroom management and includes the most pressing issues, problems, and concerns shared by all teachers. The underlying SCM themes of accountability, maturity, independence, personal responsibility, and intrinsic motivation are all there and weave their way throughout the entirety of the book. Together, they form a simple, unique, and sometimes contrarian approach to classroom management that anyone can do. Whether you're an elementary, middle, or high school teacher, The Smart Classroom Management Way will give you the strategies, skills, and know-how to turn any group of students into the motivated, well-behaved class you love teaching.

The Essential 55 Feb 24 2021 From the Disney Teacher of the Year and New York Times bestselling author Ron Clark comes the classic guide to bringing out the best in your students, revised and updated for today's teachers. Over 1 million copies sold! When Ron Clark walked into his fifth-grade class in rural North Carolina, he was confronted with disinterested children in desperate need of structure and compassion. Brainstorming how best to reignite their love of learning, Ron created 55 lessons. Soon his fifth graders were reading at a sixth-grade level, engaging in class, and loving school. What's more, they were gaining something crucial: self-respect. These lessons evolved into The Essential 55—guidelines for students on how to live and interact with others. Ron lit a fire under parents and teachers around the world to raise their standards and expect the most from their students. The Essential 55 features a new foreword from Ron and a fresh take on his classic rules, along with contributions from Ron's former students, who reflect on which rules resonated most. Ron's 55 ideas show that with determination, discipline, and regular rewards, the children you stick by will be the children you eventually admire.

Rules for School Oct 15 2022 Scared of school? Don't worry. You can be cool and rule! School is hard! There's a lot to know, like where to sit on the bus, how to find your way around the halls, and what to do to make sure you stay on your teacher's good side. Lucky for you Alec Greven has just turned eleven, and he's seen it all. Alec passes down his sixth-grade wisdom and gives advice that will help every student who's starting out or just started out on the wrong foot. Want to rule the school? Alec tells you how!

Rules in School Jan 18 2023 Join the thousands of teachers in schools nationwide who have used this positive approach to discipline to establish calm, safe classrooms in which students can do their best learning. The approach to discipline presented in this book helps children develop self-control, understand how positive behavior looks and sounds, and come to value such behavior. With many examples from their own classrooms, three experienced teachers offer practical techniques to help you: establish clear expectations for behavior from day one; teach students how to articulate their learning goals; create classroom rules that connect to those goals; use techniques such as Interactive Modeling to teach positive behavior; reinforce positive behavior with supportive teacher language; and quickly stop misbehavior and restore positive behavior so that children retain their dignity and continue learning.

Culture Rules Oct 03 2021 School culture is unarguably central to a school's success or failure. While there is no single "correct" school culture, there are lessons to be learned. Culture Rules examines the factors that create an environment where students want to learn, and adults want to teach. Culture Rules explores staff culture, student culture, team building, establishing and maintaining norms inside and outside the classroom, and lessons learned from top-performing schools. By sharing her personal journey in school leadership, Jo Facer: explores the different factors that can affect a school's culture; considers hot topics such as teacher workload, discipline, marking, CPD and shows how these can influence a school's culture and success; and includes real case studies to show how schools have developed a strong culture and the impact on performance. Full of practical, sustainable ideas for schools to implement in the short and long term, this is essential reading for all school leaders in primary and

secondary schools looking to build a great school culture in their organisations.
