Flamingo Thief Jul 12 2022 Everyone handles grief differently but none so differently as Tim Forester, multimillionaire Juice King, who lost his son a year ago. It starts with him quietly pocketing a china flamingo belonging to his three year old niece, Joy, and by his tenth flamingo has escalated to felony grand theft. He is shot by one person and shot at by another. He is losing his business and his wife but he is feeling better. Flamingo thieving makes his heart beat. He comes alive. In a way he is having a wonderful time. But how will it end? Quite possibly in prison. Flamingo Thief is a funny, bittersweet story of love, loss, family, fruit and flamingoes. The reader will never forget Tim Forester, his disastrous way of dealing with grief, and a heart that is bursting with love.

Flamingo Aug 13 2022 A novel of love, homelessness, and learning to be fearless In the garden, there were three flamingos. Not real flamingos, but real emblems, real gateways to a time when life was impossibly good. They were mascots, symbols of hope. Something for a boy to confide in. First, there were the flamingos. And then there were two families. Sherry and Leslie and their daughters, Rae and Pauline - and Eve and her son Daniel. Sherry loves her husband, Leslie. She also loves Eve. It couldn't have been a happier summer. But then Eve left and everything went grey. Now Daniel is all grown-up and broken. And when he turns up at Sherry's door, it's almost as if they've all come home again. But there's still one missing. Where is Eve? And what, exactly, is her story? FLAMINGO is a novel about the power of love, welcome and acceptance. It's a celebration of kindness, of tenderness. Set in 2018 and the 80s, it's a song for the broken-hearted and the big-hearted, and is, ultimately, a novel grown from gratitude, and a book full of wild hope.

The Day the World Stopped Turning Jan 14 2020 Michael Morpurgo's *The Day the World Stopped Turning* is a middle-grade novel about an extraordinary boy who sees the world differently. In the unique landscape of the Camargue (France) during World War II, Lorenzo lives among the salt flats and the flamingos. There are lots of things he doesn't understand—but he does know how to heal animals, how to talk to them; the flamingos especially. He loves routine, and music too: and every week he goes to market with his mother. It's there he meets Kezia, a Roma girl, who helps her parents run their carousel—and who shows him how to ride the wooden horse as the music plays. But then the German soldiers come, with their guns. Everything is threatened, everything is falling apart: the carousel, Kezia and her family, even Lorenzo's beloved flamingos. Yet there are kind people even among soldiers, and there is always hope. . . .

Oliver's Lollipop Dec 13 2019 When his sugary dreams don't go

according to plan, Oliver learns that the wide world around him might just be the sweetest thing of all. Oliver finds the perfect lollipop on his birthday trip to the zoo, and it's all he can think about! Forget riding the carousel--he might drop his precious treat. No point roaring at the lions with his brother or engaging with any of the animals. After all, who needs the peacocks' beautiful feathers or the flamingoes' brilliant hues when there's a colorful swirly lollipop to admire? But when one particular zoo animal threatens to ruin the fun, Oliver learns that there's plenty more to see than the candy he'd been coveting. And sharing the day--and his sweets--with his brother might just be the most special treat of all. Praise for *Oliver's Lollipop*: "Vivid, bright paintings illuminate the well-told narrative centering a child's singular fixation, disappointment, and family warmth." --Kirkus Reviews "A gentle, well-paced reminder to live in the moment." --Publishers Weekly

Miss Laila, Armed and Dangerous Jan 26 2021 On the day that Hindu nationalists and their controversial leader have won a spectacular election victory, a large apartment building collapses in Mumbai. The rescue operation finds a single survivor trapped under a beam. The only person able to reach him is Akhila Iyer, a medical student who is also a notorious prankster. Crawling through the rubble to administer first aid, she finds him mumbling in delirium that a young Muslim couple are on their way to carry out a terror attack. Elsewhere, an intelligence agent, Mukundan, is assigned to shadow two terror suspects, one of whom is the teenager Laila, sweetheart of her street. Time is running out and the chase is on... Pervasive in its comic realism, wicked in its humour and broad-based in its canvas, Miss Laila, Armed and Dangerous is a fierce, profound and illuminating portrait of our age of globalisation and populist politics.

Life Of Pi, Illustrated Aug 01 2021 After the tragic sinking of a cargo ship, one solitary lifeboat remains bobbing on the wild, blue Pacific. The only survivors from the wreck are a sixteen-year-old boy named Pi, a hyena, a zebra with a broken leg, a female orang-utan - and a 450-pound Royal Bengal tiger. Since it was first published in 2002, Life of Pi has entered mainstream consciousness and remains one of the most extraordinary works of fiction in recent years. In October 2005 Canongate launched a competition with The Times to find an artist to illustrate Yann Martel's international bestseller. Soon the competition expanded as the Globe and Mail and The Age newspapers also launched a search in Canada and Australia. From thousands of entries, Croatian artist Tomislav Torjanac was chosen as the illustrator for this new edition of Life of Pi. Now readers can enjoy this extraordinary tale with his glorious colour illustrations.

Never Enough Flamingos Jan 06 2022 Janelle Diller carries readers to rural Kansas in the 1930s where events in the rural Mennonite community parallel the flow of events in Europe. Diller provides an authentic view of the sect while deftly handling themes of power and sexual abuse through the character of Cat Peters, whose wit and innocence engage the reader from the first sentence.

The Lost Flamingoes of Bombay Nov 16 2022 When photographer Karan Seth comes to Bombay intent on immortalizing a city charged by celebrity and sensation, he is instantly drawn in by its allure and cruelty. Along the way, he discovers unlikely allies: Samar, an eccentric pianist; Zaira, the reclusive queen of Bollywood; and Rhea, a married woman who seduces Karan into a tender but twisted affair. But when an unexpected tragedy strikes, the four lives are irreparably torn apart. Flung into a Fitzgeraldian world of sex, crime and collusion, Karan learns that what the heart sees the mind's eye may never behold. Siddharth Dhanvant Shanghvi's *The Lost Flamingoes of Bombay* is a razor sharp chronicle of four friends caught in modern India's tidal wave of uneven prosperity and political failure. It's also a profoundly moving meditation on love's betrayal and the redemptive powers of friendship.

[World of Wonders](#) May 30 2021 "Hands-down one of the most beautiful books of the year." —NPR From beloved, award-winning poet Aimee Nezhukumatathil comes a debut work of nonfiction—a collection of essays about the natural world, and the way its inhabitants can teach, support, and inspire us. As a child, Nezhukumatathil called many places home: the grounds of a Kansas mental institution, where her Filipina mother was a doctor; the open skies and tall mountains of Arizona, where she hiked with her Indian father; and the chillier climes of western New York and Ohio. But no matter where she was transplanted—no matter how awkward the fit or forbidding the landscape—she was able to turn to our world's fierce and funny creatures for guidance. "What the peacock can do," she tells us, "is remind you of a home you will run away from and run back to all your life." The axolotl teaches us to smile, even in the face of unkindness; the touch-me-

not plant shows us how to shake off unwanted advances; the narwhal demonstrates how to survive in hostile environments. Even in the strange and the unlovely, Nezhukumatathil finds beauty and kinship. For it is this way with wonder: it requires that we are curious enough to look past the distractions in order to fully appreciate the world's gifts. Warm, lyrical, and gorgeously illustrated by Fumi Nakamura, *World of Wonders* is a book of sustenance and joy.

*Role Models* Mar 28 2021 Here, from the incomparable John Waters, is a paean to the power of subversive inspiration that will delight, amuse, enrich—and happily horrify readers everywhere. *Role Models* is, in fact, a self-portrait told through intimate profiles of favorite personalities—some famous, some unknown, some criminal, some surprisingly middle-of-the-road. From Esther Martin, owner of the scariest bar in Baltimore, to the playwright Tennessee Williams; from the atheist leader Madalyn Murray O'Hair to the insane martyr Saint Catherine of Siena; from the English novelist Denton Welch to the timelessly appealing singer Johnny Mathis—these are the extreme figures who helped the author form his own brand of neurotic happiness. *Role Models* is a personal invitation into one of the most unique, perverse, and hilarious artistic minds of our time.

*Byron Easy* Jun 30 2021 It's December 24th, 1999. Byron Easy, a poverty-stricken poet, half-drunk and suicidal, sits on a train at King's Cross Station waiting to depart. In his lap is a backpack containing his remaining worldly goods—an empty wine bottle, a few books, a handful of crumpled banknotes. As the journey commences, he conjures memories (both painful and euphoric) of the recent past, of his rollercoaster London life, and, most distressingly, of Mandy—his half-Spanish Amazonian wife—in an attempt to make sense of his terrible—and ordinary—predicament. What has led him to this point? Where are his friends, his family, his wife? What has happened to his dreams? And what disturbing plan awaits him at the end of his journey? *Byron Easy* is an epic, baroque, sprawling masterpiece of a novel—a unique portrait of love and marriage, of the flux of memory, and of England in the dying days of the twentieth

century from a young British writer of exceptional promise.

In the Electric Mist with Confederate Dead Nov 04 2021 The sixth in the New York Times bestselling Dave Robicheaux series delivers a heart-pounding bayou manhunt—and features “one of the coolest, earthiest heroes in thrillerdom” (Entertainment Weekly ). When Hollywood invades New Iberia Parish to film a Civil War epic, restless specters waiting in the shadows for Louisiana detective Dave Robicheaux are reawakened—ghosts of a history best left undisturbed. Hunting a serial killer preying on the lawless young, Robicheaux comes face-to-face with the elusive guardians of his darkest torments— who hold the key to his ultimate salvation or a final, fatal downfall.

Where Do They Go? Dec 05 2021 Bestselling novelist (How the Garcia Girls Lost Their Accents) and children's (The Tia Lola Stories) author Julia Alvarez's new picture book is a beautifully crafted poem for children that gently addresses the emotional side of death. The book asks, "When somebody dies, where do they go? / Do they go where the wind goes when it blows? ... Do they wink back at me when I wish on a star? Do they whisper, 'You're perfect, just as you are'? ..." Illustrated by Vermont woodcut artist, Sabra Field, Where Do They Go? is a beautiful and comforting meditation on death, asking questions young readers might have about what happens to those they love after they die. A Spanish-language edition of the book, *¿Donde va a parar?*, is available in paperback.

Animals Do, Too! May 10 2022 “Do you like to dance?” asks the first spread of this book. “Honeybees do, too!” responds the next. In a rhythmic, question-and-answer style, children are introduced to seven playful activities that they share with other animals. Expanding on the science is a brief explanation of what the animals are actually doing and why — for them, it's not all fun and games! Join gazelles, gray tree frogs, marmosets and more as they play tag, blow bubbles and even get piggyback rides! Who knew our animal friends were so much like us?

The Lost Flamingoes of Bombay Jan 18 2023 Star photographer Karan Seth is in Bombay to immortalize the city in a unique photo-record of its hidden faces until tragedy strikes and he is drawn into

a Fitzgeraldian world of sex, crime and politics. Utterly disenchanted, he abandons the camera and Bombay and heads to England. Yet, like the flamingoes of Sewri, who unflinchingly give in to the strange, haunting pull of the great metropolis, Karan too knows that he must return to his old loves. *The Lost Flamingoes of Bombay* is at once a razor-sharp depiction of contemporary urban society and an affecting tale about love's betrayals and the redemptive powers of friendship.

Bernard Pepperlin Nov 11 2019 "Bernard and his newfound friends—revolutionary rats, wise-cracking cats, and coffee-chugging squirrels, to name a few—will delight and inspire readers of all ages!" —Erin Entrada Kelly, Newbery Medal-winning author of *Hello, Universe* The drowsy Dormouse from Lewis Carroll's *Alice's Adventures in Wonderland* is transported to modern-day New York City for the adventure of a lifetime in this middle grade novel that's perfect for fans of *Stuart Little* and written by critically acclaimed author Cara Hoffman. When a girl in a blue dress crashes the Mad Hatter's eternal tea party, the sleepy Dormouse feels more awake than he has in a long time. He wishes he could follow her and be a part of her adventure. And as luck would have it, a surprising twist of fate sends the Dormouse on an adventure of his own, where he must not fall asleep. For he is destined to save a magical world outside Wonderland, and it will take all his courage—and a few new friends—to do it.

*Agnes and the Hitman* Apr 16 2020 Rescued during a break-in by a hit man sent by the mob to protect her, food writer Agnes Crandall finds her situation further complicated by a missing cache of money that becomes a key factor in a Southern mafia wedding.

*The Last Song of Dusk* Oct 15 2022 Anuradha Patwardhan, a legendary beauty in 1920s India, marries handsome and well-to-do doctor Vardhman, but their married years are challenged by the death of their child and the arrival of a mysterious girl.

*The Stark Divide* Mar 16 2020 Some stories are epic. The Earth is in a state of collapse, with wars breaking out over resources and an environment pushed to the edge by human greed. Three living

generation ships have been built with a combination of genetic mastery, artificial intelligence, technology, and raw materials harvested from the asteroid belt. This is the story of one of them-43 Ariadne, or Forever, as her inhabitants call her-a living world that carries the remaining hopes of humanity, and the three generations of scientists, engineers, and explorers working to colonize her. From her humble beginnings as a seedling saved from disaster to the start of her journey across the void of space toward a new home for the human race, The Stark Divide tells the tales of the world, the people who made her, and the few who will become something altogether beyond human. Humankind has just taken its first step toward the stars.

Flamingo Boy May 18 2020 In the unique landscape of the Camargue in the South of France during WW2, a young autistic boy lives on his parents' farm among the salt flats and the flamingos that live there. There are lots of things he doesn't understand, but he does know how to heal animals. He loves routine and music too; every week he goes to market with his mother, to ride his special horse on the town carousel. But then the Germans come, with their guns, and take the town. A soldier shoots a flamingo from the sky and it falls to earth terribly injured. And even worse is to come: the carousel is damaged, the horses broken. For this vulnerable boy, everything is falling apart. Only there's a kind sergeant among the Germans - a man with a young boy of his own at home, a man who trained as a carpenter. Between them, perhaps boy and man can mend what has been broken - and maybe even the whole town.

Security, Socialisation and Affect in Indian Families Feb 13 2020 Sociological research on Indian families has largely focused on questions of household form and structure, to the exclusion of not only the more nebulous dimensions of family life and relationships but also the discursive and imagined aspects of our familial worlds such as may be accessed through an analysis of film, literature and the electronic media. Moreover, when sociological inquiry has sought to go beyond the demographic and census aspects of the household, it has trained its eye on the heterosexual family centred on the conjugal couple, frequently at the expense of those relational patterns and diversities that fall outside the familiar circuits of desire within the family. The present volume brings together ten essays from a range of disciplines including law, literature, anthropology, sociology, and queer studies, to engage with hitherto neglected and emergent aspects of Indian family life.
