The idea is simple: solve the crossword. That sounds easy enough, but there is a slight catch - you need to deduce the grid pattern as well as the answers to the clues. This is why it is called a skeleton crossword, as you have to put the flesh on the bones of the grid in addition to solving the puzzle. Each of these 50 puzzles has a different grid pattern, each displaying symmetry, and you'll need to use the fact that the grids are symmetrical to help you deduce the pattern of the grid whilst completing the crossword puzzle itself. For each puzzle we reveal a small amount of grid information, and you'll have to use this information, the clues and your knowledge the grid is symmetrical to complete the puzzle. If you can solve all 50 puzzles in this absorbing book, then you truly are a skeleton crossword maestro! All of our books are printed on very high quality paper, making the puzzle experience all the more enjoyable! For other puzzle books, visit www.puzzle-book.co.uk or click our author page.
