This ambitious undertaking is designed to acquaint students, teachers, and researchers with reference sources in any branch of English studies, which Marcuse defines as "all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature." Within each of 24 major sections, Marcuse lists and annotates bibliographies, guides, reviews of research, encyclopedias, dictionaries, journals, and reference histories. The annotations and various indexes are models of clarity and usefulness, and cross references are liberally supplied where appropriate. Although cost-conscious librarians will probably consider the several other excellent literary bibliographies in print, such as James L. Harner's *Literary Research Guide* (Modern Language Assn. of America, 1989), larger academic libraries will want Marcuse's volume.-- Jack Bales, *Mary Washington Coll. Lib., Fredericksburg, Va. -Library Journal*. The M998 HMMV (High Mobility Multipurpose Wheeled Vehicle) was introduced in 1983 to replace the ubiquitous M151 commonly called a Jeep. The HMMV will be replaced by the JLTV with the first fieldings beginning in 2019 for the US Military. This manual is a reprint of the official manual. This well-organized comprehensive treatment of the popular Panzer General Gamewill include strategies for military and fantasy role-playing gamers. This is a difficult and complex game to play as it places the player in a fantasy universe. Every unit and scenario will be covered. I scanned the original manual at 600 dpi. The Lexis Guide to Family Tax Matters is a compilation of expert-authored chapters contained in the Federal Tax--Topical product. Rather than requiring a practitioner to wade through volumes of material, most of which is not relevant to the transactions at hand, the Lexis Guide to Family Tax Matters includes only those chapters dealing with family tax issues. The Guide contains basic explanations, along with practical guidance and practice tips with respect to topics contained in the product. Geared to the small law firm--the family law practitioner, the small tax practitioner, or the general practitioner with a significant family law/family tax practice, the product pulls together tax information relating to a variety of

issues, both within the family unit and resulting from dissolution of the marriage or family relationship. A practical manual for training and reference use of USAF weather forecasters who will work in the tropics, it covers basic facts of climatology, circulation, synoptic models, analysis and forecasting, application throughout the tropics. A broad survey is made of the literature, evaluated in light of the experience of the author. Physical factors controlling tropical circulations are briefly discussed. The data sources for synoptic purposes are reviewed. Climatology of pressure, winds, temperature, humidity, clouds, rainfall and disturbances is presented in a form specially suitable for forecasters. Analysis and for forecasting of disturbances, cyclones, severe weather, terminal weather, etc., are treated at length. Emphasis is placed on uses of climatology and satellite cloud photos. Over 230 figures adapted from the literature or prepared by the author serve to illustrate all the essential facts and principles discussed. A summary of the state of art and future outlook of tropical meteorology is included. A newly reorganized, up-to-date overview of key reference works in philosophy published over the past decade. Designed to provide 4-H members and others with reasons for conserving energy at home, to help teach weatherization concepts and provide instructions for hands-on projects. Designed for ages 10-18 who are interested in hands-on projects that can benefit their family and country. Illustrated with drawings and games. The sequel to the mega hit Panzer General, Panzer General II is played across four campaigns of linked scenarios. Michael Knight reveals all the strategies needed to earn victory medals as you play alone or over a LAN or the Internet.
