Finally, a female version of the popular Peter Bachin Muscular System chart! The Female Muscular System Anatomical Chart is finely detailed and extensively labeled. Central illustrations show the shows anterior and posterior views of the female muscular system Four smaller detailed illustrations show: the right half of the diaphragm the muscles of the posterior abdominal wall the muscles of the right hand (palmar view) the muscles of the left foot (plantar view) Made in the USA. Available in the following versions : 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587795657 20" x 26" heavy paper ISBN 9781587795633 A detailed chart showing normal anatomy of the Shoulder as well as common injuries. Each illustration is clearly labeled and injuries are textually described. Anatomy and Injuries of the Shoulder illustrates the following normal anatomy: Anterior view showing muscles, bones, ligaments, nerves, veins and arteries Anterior view (deep Layer) of the bones, ligaments and muscle Posterior view, superior and lateral views of the bones of the shoulder Detail of the right shoulder socket Anatomy and Injuries of the Shoulder illustrates and describes the following common injuries: Impingement Syndrome Rotator Cuff Tear Proximal Humeral Fracture Acromioclavicular Separation Bicipital tendonitis Tendon instability Bankart lesion Dislocation of the the humerus Hill Sachs formation Made in the USA. Available in the following versions : 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587798085 20" x 26" heavy paper ISBN 9781587798078 19-34" x 26" latex free styrene plastic, grommets at top corners ISBN 9781587798092 The Understanding the Spine chart is an overview of the structure and selected health issues of the vertebral column. Front and side views of the column are shown, along with several views of vertebrae and discs. Heavy cover stock with protective varnish for durability. This popular chart shows: - the spinal column (lateral aspect) - a typical vertebra (superior aspect) - structural features and functions of intervertebral disks - spinal nerve irritation due to exostosis - herniated disk - kyphosis - scoliosis - lordosis - osteoporosis - causes of pain in the lower back or leg Size is 20" W by 26" H. The Blueprint for Health series of charts

illustrated by Kate Sweeney are designed to make human anatomy come alive for kids. Colorful, clear pictures help to explain concepts. Examples and activities make learning and understanding fun and easy. Your Brain and Nerves (from the Blueprint for Health chartseries) describes and illustrates the nervous system, nerve cells, brain, and spinal cord, making the information fun and easy for school-aged children to understand. It explains automatic and learned reflexes, right brain versus left brain, the funny bone, how to build a better brain, what happens when your foot falls asleep, and how drugs interact with the brain. The chart includes colorful, anatomically correct illustrations, fun facts ("Your nerves can send signals at more than 200 miles per hour!") and fun things to try in the classroom or at home to show how the brain and nerves work. made in USA Available in the following versions 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587797439 20" x 26" heavy paper ISBN 9781587797422 set of all 9 Blueprint for Health charts - laminated versions # KSSSET9 The Respiratory System illustrates the complete respiratory system from the frontal sinus to the diaphragm. central illustration shows the lungs and conducting system. Includes detailed labeled views of paranasal sinuses - anterior and lateral view muscles and cartilages of the larynx bronchopulmonary segments respiratory mucosa Also shows a detail of the structure of intrapulmonary airways and the cross section of alveolus explains the conducting system and gas exchange explains and diagrams lungs and pleurae and ventilation Made in USA Available in the following versions: 20" x 26" heavy weight paper laminated with grommets at top corners ISBN 9781587790539 20" x 26" heavy weight paper ISBN 9781587790546 A classic illustration by Peter Bachin of The Nervous System, this chart shows in fine detail the nerves and their pathways in the body. The central figure is extensively labeled and shows the skeleton, major arteries, veins and nerves from head to foot. Also includes detailed illustrations of the: brain midbrain, medulla oblongata and spinal cord spinal meninges intercostal nerves sagittal section of female pelvis Made in USA Available in the following versions: 20" x 26" heavy weight paper laminated with grommets at top corners ISBN 9781587790447 20" x 26" heavy weight paper ISBN 9781587790454 19-3/4" x 26" styrene plastic - latex free with grommets at top corners ISBN 9781587796906 A popular and useful chart showing the anatomy and structures of The Female Reproductive System. Clear concise illustrations show the following: ovary, fallopian tube, uterus and vagina detail of an ovum the female pelvic organs (sagittal section) the female perineum detailed view of ovary and uterus during the menstrual cycle defines the menstrual cycle and menopause Made in the USA. Available in the following versions : 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587790201 20" x 26" heavy paper ISBN 9781587790218 The Muscular System chart graphically portrays front and rear views of the male musculature. Other images include muscles of the abdominal wall, the outer muscles of the back and a plantar view of the foot. Heavy gauge 3ml lamination with sealed edges and two metal eyelets for hanging makes chart highly durable. Write-on/wipe-off with dry erase marker (not included). The Brain chart is one of our most popular classic charts. This chart features clearly drawn and labeled illustrations of the brain. Includes: large illustration of the base of the brain - cranial nerves large illustration of base of the brain - vessels lateral view of the arteries of the brain sagittal section view of the arteries of the brain coronal section of the brain circulation of cerebrospinal fluid (CSF) - illustration with explanation somatotopic organization of the cerebrum lobes of the brain limbic system ventricles of the brain - lateral and axial views detail of the Circle of Willis detail of meninges of the brain Made in the USA. Available in the following versions : 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587791055 20" x 26" heavy paper ISBN 9781587791062 The Digestive System chart depicts the overall system, from salivary glands to the rectum, with labeled organs and cut-away views showing internal structure. Additional images help to visualize the tissues of the large and small intestines, including nutrient absorption in the intestinal lining. Heavy gauge 3ml lamination with sealed edges and two metal eyelets for hanging makes chart highly durable. Write-on/wipe-off with dry erase marker (not included). Classic illustrations by Peter Bachin. Shows anterior and posterior views of the muscular system. Also illustrates right half of the diaphragm, muscles of the posterior abdominal wall, and muscles of the right

foot. This classic chart of The Skeletal System was illustrated by Peter Bachin in 1947 and continues to be one of our best sellers. Every illustration is finely detailed and labeled. The chart features 3 large illustrations showing the anterior, lateral and posterior views of the male skeletal system. Eight smaller illustrations show: a portion of long bone auditory ossicles ligaments of the right hand (dorsal and palmar views) ligaments of the right foot (dorsal and plantar view) the right knee joint (anterior and posterior views) Comparison of female pelvis to male pelvis is shown by a dotted outline. Laminated and paper versions are available in English and Spanish. Made in USA Available in the following versions: 20" x 26" heavy weight paper laminated with grommets at top corners ISBN 9781587790621 20" x 26" heavy weight paper ISBN 9781587790638 19-3/4" x 26" styrene plastic - latex free with grommets at top corners ISBN 9781587790621 18" x 25" 3-D PVC plastic ISBN 9781587790652 giant size 42" x 62" tear resistant lightweight plastic with grommets at top ISBN 9781587799822 20" x 26" heavy weight paper laminated with grommets at top corners Spanish ISBN 9781587799983 20" x 26" heavy weight paper Spanish ISBN 9781587799976 This useful chart of The Endocrine System shows the location of glands on the body. Each gland is separately illustrated and labeled and the hormones it secretes are listed. Shows the following glands: thyroid parathyroid thymus adrenal pineal pituitary Also includes the organs that have a secondary endocrine function producing and releasing hormones. The heart, kidney, stomach, duodenum, jejunum, pancreas, ovary, placenta, and testes and the hormones they secrete are shown. Made in the USA. Available in the following versions : 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587790157 20" x 26" heavy paper ISBN 9781587790164 This pack of five portable charts is a valuable reference tool and study companion, ideal for on-the-go practitioners and students. The systems in this set include: Muscular, Skeletal, Nervous, Circulatory, and Digestive. Each double-sided chart includes labeled illustrations and key facts pertaining to the specific system. The laminated surface of the charts allows the user to write on/wipe off with a dry erase marker (marker not included). These 8.5 inch x 11 inch charts can be three-hole punched for binder storage, without losing any of the content. Lippincott Williams & Wilkins Atlas of Anatomy Skeletal System Chart: Head and Trunk contains vibrant images from the Lippincott Williams & Wilkins Atlas of Anatomy. Covering the skeletal structures of the head and trunk (axial skeleton) this regional approach provides essential anatomical information for both students and professionals such as chiropractors, orthopedists and physical therapists. The Head and Trunk laminated chart shows: The Axial Skeleton Skull: Anterior and Lateral View Skull and Cervical Vertebrae: Lateral View Skeleton of the Thoracic Wall: Anterior and Posterior View Articulated Lumbar Vertebrae: Lateral View Ligaments of the Lumbar Vertebrae and Sacrum: Lateral View Articulated Lumbar Vertebrae: Posterior View Sacrum and Coccyx: Posterior View This chart is laminated with eyelets for easy hanging. It is available separately or as part of a set with Lippincott Williams & Wilkins Atlas of Anatomy Skeletal System Chart: Upper and Lower Limbs size: 20" x 26" Made in USA individual charts available in the following versions: 20" x 26" heavy paper laminated with grommets Head & Trunk ISBN 9780781786546 20" x 26" heavy paper laminated with grommets Upper & Lower Limbs ISBN 9780781786539 set of 2 charts: Lippincott Williams & Wilkins Atlas of Anatomy Skeletal System Chart Set ISBN 9780781786416 "Features 52 anatomical charts created by some of the world's best medical illustrators. This book includes anatomical charts that show the human body in a format that provides a clear and visual understanding of human anatomy, physiology, and diseases."--Publisher's website. Classic illustrations by Peter Bachin. Shows anterior and posterior views of the muscular system. Also illustrates right half of the diaphragm, muscles of the posterior abdominal wall, and muscles of the right foot. This classic chart of The Muscular System was illustrated by Peter Bachin in 1947 and continues to be one of the most easily recognized images in medical illustration. Every illustration is vividly colored and finely detailed. All structures are clearly labeled. The large central illustrations show both anterior and posterior views of the male muscular system. Four smaller illustrations show : the muscles of the right hand the right half of the diaphragm muscles of the posterior abdominal wall muscles of the right foot. Three dimensions let you feel texture and form. Three-dimensional images, bold titles, and clear, easy-to-read labels

make it easy and fun to learn about the body. The durable, lightweight, non-toxic, recyclable plastic will last indefinitely. The chart has a hole at the top for easy wall hanging, and will also stand up on an easel. Size 18" x 25" Laminated and paper versions are available in English and Spanish. Made in USA Available in the following versions: 20" x 26" heavy weight paper laminated with grommets at top corners ISBN 9781587790355 20" x 26" heavy weight paper ISBN 9781587790362 19-3/4" x 26" styrene plastic - latex free ISBN 9781587796838 18" x 25" 3-D PVC plastic ISBN 9781587790386 giant size 42" x 62" tear resistant lightweight plastic with grommets at top ISBN 9781587799815 20" x 26" heavy weight paper laminated with grommets Spanish ISBN 9781587799969 20" x 26 heavy weight paper Spanish ISBN 9781587799952

Looking for an easy, fun and effective way to demystify the structures of the human brain? Coloring the human brain and its nerves is the most effective way to study the structure and functions of neuroanatomy. You assimilate information and make visual associations with key terminology when coloring in the Neuroanatomy Coloring Book, all while having fun! Whether you are following a neuroscience course or just interested in the human brain and its structures, let this book guide you. While other books give you the anatomical terminology immediately, this book is designed for convenient self-testing by providing the answer keys on the back of the same page so you can get the most out of your studies. Plus, the detailed illustrations of the neuroanatomical systems in a large page design without back-to-back drawings will make you say goodbye to bleed-through! The Neuroanatomy Coloring Book features: The most effective way to skyrocket your neuroanatomical knowledge, all while having fun! Full coverage of the major systems of the human brain to provide context and reinforce visual recognition 25+ unique, easy-to-color pages of different neuroanatomical sections with their terminology Large 8.5 by 11-inch single side paper so you can easily remove your coloring Self-quizzing for each page, with convenient same-page answer keys Discover the structure of the following sections of the human brain: Lobes and lobules Sagittal section Coronal section Cranial nerves Transverse section of the pons Gyri and sulci Circle of Willis Limbic system Thalamus Blood supply of the central nervous system Spinal cord tracts And many, many more... Joins thousands of others who have made their studies more fun, easy and efficient! Roll up and click "ADD TO CART" right now Lippincott Williams & Wilkins Atlas of Anatomy Skeletal System Chart Set contains vibrant images from the Lippincott Williams & Wilkins Atlas of Anatomy. Covering the skeletal structures of the head and trunk (axial skeleton) and the upper and lower limbs (appendicular skeleton), this regional approach provides essential anatomical information for both students and professionals such as chiropractors, orthopedists and physical therapists. The Head and Trunk laminated chart shows: The Axial Skeleton Skull: Anterior and Lateral View Skull and Cervical Vertebrae: Lateral View Skeleton of the Thoracic Wall: Anterior and Posterior View Articulated Lumbar Vertebrae: Lateral View Ligaments of the Lumbar Vertebrae and Sacrum: Lateral View Articulated Lumbar Vertebrae: Posterior View Sacrum and Coccyx: Posterior View The Upper and Lower Limbs laminated chart shows: The Appendicular Skeleton Proximal Upper Limb: Anterior View and Posterior View Distal Upper Limb: Anterior View and Posterior View Proximal Lower Limb: Anterior View and Posterior View Distal Lower Limb: Anterior View and Posterior View Both charts are laminated with eyelets for easy hanging. They are also available separately. size: 20" x 26" Made in USA individual charts available in the following versions: 20" x 26" heavy paper laminated with grommets Head & Trunk ISBN 9780781786546 20" x 26" heavy paper laminated with grommets Upper & Lower Limbs ISBN 9780781786539

The Blueprint for Health series of charts illustrated by Kate Sweeney are designed to make human anatomy come alive for kids. Colorful, clear pictures help to explain concepts. Examples and activities make learning and understanding fun and easy. Your Digestive System (from the Blueprint for Health charts series) is ideal for educating children about the digestive system. This chart shows a 12-step path of food from bite to "the end of the line," and includes the role of each major organ in the process. It teaches about teeth, their role in the digestive process, and the right way to brush, and illustrates and describes the components of a healthy diet. This colorful chart includes bold figures, fun facts ("Borborygmy" (Bore-bore-RIG-mee) is a word for the sounds your digestive system makes when it is working!), and answers

to questions like "What is a burp?" and "Why do I throw up?" made in USA Available in the following versions 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587797392 20" x 26" heavy paper ISBN 9781587797385 set of all 9 Blueprint for Health charts - laminated versions # KSSET9 This Classic Library Edition is a comprehensive collection of 48 anatomical charts. A well-rounded collection of best-selling charts, it covers topics such as systems, structures, common diseases and disorders of the human body. Each chart is beautifully illustrated in full color and labeled with the most current terminology and accompanied by supporting text. A hidden pop-open easel displays each chart individually and spiral binding along the top allows for easy flipping from one page to the next. Now available in Spanish, this classic chart of The Skeletal System was illustrated by Peter Bachin in 1947 and continues to be one of our best sellers. Every illustration is finely detailed and labeled. The chart features 3 large illustrations showing the anterior, lateral and posterior views of the male skeletal system. Eight smaller illustrations show: a portion of long bone auditory ossicles ligaments of the right hand (dorsal and palmar views) ligaments of the right foot (dorsal and plantar view) the right knee joint (anterior and posterior views) Comparison of female pelvis to male pelvis is shown by a dotted outline. Laminated and paper versions are available in English and Spanish. Made in USA Available in the following versions: 20" x 26" heavy weight paper laminated with grommets at top corners ISBN 9781587790621 20" x 26" heavy weight paper ISBN 9781587790638 19-3/4" x 26" styrene plastic - latex free ISBN 9781587790621 18" x 25" 3-D PVC plastic ISBN 9781587790652 giant size 42" x 62" tear resistant lightweight plastic with grommets at top ISBN 9781587799822 20" x 26" heavy weight paper laminated with grommets at top corners Spanish ISBN 9781587799983 20" x 26" heavy weight paper Spanish ISBN 9781587799976 This popular chart of The Digestive System clearly illustrates the organs that make up the digestive system. All structures are labeled. The beautiful central image shows the esophagus, liver, stomach (sectioned to show inside walls) , gallbladder, pancreas, intestines, rectum, arteries and veins. Includes: illustration of the location of the digestive organs in relation to the torso detailed labeled illustrations of: the oral cavity wall of the stomach wall of the jejunum wall of the colon arterial supply pancreas, gallbladder and duodenum Also includes explanatory text about the parts the various organs play in digestion. Made in the USA. Available in the following versions : 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587790065 20" x 26" heavy paper ISBN 9781587790072 19-3/4" x 26" latex free plastic styrene with grommets at top corners ISBN 9781587796951 The Urinary Tract is an informative charts that shows the anatomy of the organs of the urinary tract includes detailed labeled illustrations of the following: the kidneys and urinary tract and routes of infection in the urinary tract the female genitourinary system the male genitourinary system acute pyelonephritis urinary obstruction and stasis cystitis urinary stones : uric acid, calcium, and struvite stones made in the USA Available in the following versions: 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587790713 20" x 26" heavy paper ISBN 9781587790720 This package contains the following products: 9781587791376 ACC Foot and Ankle Anatomical Chart 9781587790621 ACC Skeletal System Anatomical Chart 9781587791420 ACC Hand and Wrist Anatomical Chart The Male Reproductive System Chart is a useful tool for learning and showing the anatomical structures of the male reproductive system. Finely detailed and labeled illustrations show: sagittal section of the pelvic organ anterior and posterior view of the system cross-section of the penis also illustrates: the prostate detail of the perineum spermatogenesis testis vasculature & innervation of the system made in USA Available in the following versions 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587790300 20" x 26" heavy paper ISBN 9781587790317 Now available in Spanish, this chart features the classic illustrations by Peter Bachin. It shows anterior and posterior views of the muscular system and illustrates right half of the diaphragm, muscles of the posterior abdominal wall, and muscles of the right foot. The Blueprint for Health series of charts illustrated by Kate Sweeney are designed to make human anatomy come alive for kids. Colorful, clear pictures help to explain concepts. Examples and activities make learning and understanding fun and easy. Your Digestive System (from the Blueprint for Health charts series) is ideal for educating children about the digestive system. This chart shows

a 12-step path of food from bite to "the end of the line," and includes the role of each major organ in the process. It teaches about teeth, their role in the digestive process, and the right way to brush, and illustrates and describes the components of a healthy diet. The Vascular System and Viscera is a classic chart with illustrations by Peter Bachin. Meticulously painted in 1947, this chart shows a complete view of the organs, veins and arteries that make up the vascular system. All illustrations are labeled. 4 small detailed illustrations show the right anterior, left anterior, and posterior view of the heart and a view of the heart in systole also shows: a detail of the veins and arteries of the female pelvis base of the brain branches of abdominal aorta and portal vein. Made in USA Available in the following versions: 20" x 26" heavy weight paper laminated with grommets at top corners ISBN 9781587790768 20" x 26" heavy weight paper ISBN 9781587790775 18" x 25" 3-D PVC plastic (made in Taiwan) ISBN 9781587790829 The Blueprint for Health series of charts illustrated by Kate Sweeney are designed to make human anatomy come alive for kids. Colorful, clear pictures help to explain concepts. Examples and activities make learning and understanding fun and easy. Your Respiratory System (from the Blueprint for Health charts series) is an ideal tool for educating pediatric patients and school aged kids. This chart describes why we breathe and illustrates the respiratory system and the role of important organs such as the brain, nose, trachea, lungs, heart, and diaphragm. It shows what happens inside the lungs and the flow of air during the breathing process and shows smoke-damaged alveoli. The chart includes fun facts ("You take over 20,000 breaths a day!"), how to make a model of your lungs, and answers to questions like "Why do I yawn?" and "How do I laugh?" Bright colors, bold figures, and appealing, anatomically correct illustrations make learning enjoyable. made in USA Available in the following versions 20" x 26" heavy paper laminated with grommets at top corners ISBN 9781587797415 20" x 26" heavy paper ISBN 9781587797408 set of all 9 Blueprint for Health charts - laminated versions # KSSET9 This popular chart of The Digestive System clearly illustrates the organs that make up the digestive system.
