More Than Money Jamey Stegmaier knows crowdfunding. He's a veteran of seven successful Kickstarter campaigns (and counting) that have raised over \$3.2 million, and he's the proprietor of the widely read Kickstarter Lessons blog. In this book he offers a comprehensive guide to crowdfunding, demonstrating that it can be a powerful way for entrepreneurs to grow their businesses by building community and putting their customers first. This book includes over forty stories of inspiring successes and sobering disasters. Stegmaier uses these examples to demonstrate how to (and how not to) prepare for a campaign, grow a fan base, structure a pitch, find new backers, and execute many other crucially important "nuts and bolts" elements of a successful crowdfunding project. But Stegmaier emphasizes that the benefits of crowdfunding are much more about the "crowd" than the "funding." He shows that if you treat your backers as people, not pocketbooks—communicate regularly and transparently with them, ask their opinions, attend to their needs—they'll become advocates

as well as funders, exponentially increasing your project's chances of succeeding. OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.
