Afraid Oct 04 2021 A fascinating and unnerving book, *Afraid* is a must-read that equips all Christians to recognize the devil's influence in our society and to act on it. Robert Bennett describes real events and actual confessions people have shared with him of demonic encounters in America, in our modern age. Summoning demons, interacting with "ghosts" and holding séances led to what many may call horrifying hallucinations and even schizophrenia. But for many Americans, these things are their spirituality. How can we break free from the despair and crushing fear that such encounters can bring? How do we come to the aid of our neighbors who are lost in Satan's deceptions? Bennett points us to the only way out: God's grace and the medicines He gives to His people. Book jacket.

Moving Through Fear Aug 14 2022 A powerful and important new work that will help readers develop their spiritual instincts and move from a life of fear to one of freedom. In seeking truth, success, and ultimately a happy life, there is no escaping fear; even while we may not always perceive it, fear is ever present. But what is it? What are we afraid of-really-and what can we do about it? These are the questions that Jeff Gollhofer answers in *Moving Through Fear*, a sensitive, personal, and wholly inspiring work of guidance. In this original and exciting work of spiritual self-help, Gollhofer illuminates five insights about fear, and then reveals-chapter by chapter-the seven instincts that can allow each of us to move from a life of fear to one of freedom. As we

cultivate each of these seven instincts, we will in turn be creating a life where fear doesn't rule our emotions and hold our lives hostage. Through a mix of stories and anecdotes, Gollhofer illustrates the nature of man—from his cultivation of love and justice to the power of community—before tackling fear and its role in these aspects of our lives. Spiritual practices follow, and the reader is encouraged to develop his tools for navigating and ultimately moving through fear.

Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy—attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."—Bill Johnson, author, *When Heaven Invades Earth* and *The Essential Guide to Healing*, senior pastor, Bethel Church, Redding, California

Unafraid Sep 15 2022 The creator of the popular Formerly Fundie blog on Patheos explains how the "American Christianity" we are currently taught is actually a fear-saturated distortion of biblical faith. Benjamin L. Corey thought he was suffering a crisis of faith, but it turned out to be a spiritual awakening. Corey became aware that the constant fear of hell and judgment that defined his Christian faith was out of sync with the idea that God acts from love, and promises to deliver us from fear. In the wake of this realization came newfound insights—from reading the Bible to re-examining American life and the church's role in the wider world. Corey learned that what he had been taught was a distorted version of Christianity that was not only untrue but caused real spiritual harm. He also discovered that he wasn't alone. Many Christians are yearning to distinguish between the Christianity that has become a rigid American civil religion and the authentic Christian faith embodied in Jesus. As he recounts his own spiritual journey, Corey offers a powerful and inspiring message of hope for every Christian increasingly frustrated with the church today. Do not be discouraged, he assures them. You do not need to give up your faith; you can rediscover the reality of a vibrant Christianity that delivers us from fear and inspires and

guides us all today.

Do It Afraid Dec 06 2021 Recognize, confront, and conquer the fears holding you back from living boldly and freely with renowned Bible teacher and New York Times bestselling author, Joyce Meyer. Fear is the devil's favorite tool in the toolbox of schemes he uses to destroy God's good plan for you. He uses it to hold you back and prevent progress in your relationships, career, and more. In *Do It Afraid*, Joyce Meyer explains that fear is everywhere and affects everyone. It rules many people, but it doesn't have to rule you any longer. She will teach you how to:

Understand fear and recognize how it works in your life. Confront those fears that are holding you back. Change your mindset for lasting freedom from some of the most common fears people face. Remember, courage isn't the absence of fear; it is learning how to move forward in the presence of fear. Courageous people do what they believe in their hearts they should do, no matter how they feel or what doubts fill their minds. When you take ownership of your problems and open your heart to God, He will help bring light into darkness so that you can be free.

Set Aside Every Fear Nov 05 2021 *Set Aside Every Fear* is a simple, thirty-day devotional based on the classic spirituality of St. Catherine of Siena, who was declared a Doctor of the Church in 1970. In only a few minutes each day, this book offers you a glimpse of St. Catherine's passion for living steeped in the intimate connection between love of God and service to others, which has inspired people of faith for more than six centuries. Originally published in 1997 and now back in print, *Set Aside Every Fear* is the perfect prayer companion for busy people who want to root their spiritual practice in the solid ground of St. Catherine of Siena's timeless--and timely--teachings on divine and human relationships. Catherine brought together two frequently unconnected charisms--mysticism and active ministry--and embodied both throughout her life. Her intimacy with God through prayer enabled her to minister to the poor and sick more deeply and to boldly speak truth to Church authorities. When the papacy fled Rome for Avignon because of political conflict, Catherine tirelessly encouraged the popes to return to Rome, and was ultimately successful. *Set Aside Every Fear* offers prayers in the voice of God and responses in the voice of humanity based on Catherine's own words, which encourage you in your own practice of dialogue with God. As you reflect on the mystery of divine love, Catherine shares her own relationship with God in a way that challenges you to place your trust in God and abandon your worries as you follow him. All the titles in the 30 Days with a Great Spiritual Teacher series contain a brief morning meditation, a simple mantra to use throughout the day, and a night prayer to focus your thoughts as the day ends. John Kirvan is the series editor.

oneness, and serenity. We all feel isolated and afraid sometimes, but the truth is, we're never really alone. So, how can you begin to untangle the thoughts and feelings that keep you trapped in your own egoic fears? *This Moment Is Your Miracle* addresses this painful yet widespread belief in separation, peeling back the layers of misperception to uncover the divine oneness at the heart of reality, through which we are all connected. Unafraid Nov 24 2020 Learn how to face and overcome the fears we feel about loneliness, illness, financial insecurity, disappointing others, failure, insignificance, and aging “A thoughtful, literate, faith-filled guide to reclaiming our minds and our lives.”—John Ortberg, senior pastor of Menlo Church and author of *I'd Like You More If You Were More Like Me* You'd be hard-pressed to overstate the extent to which fear, anxiety, and worry permeate our lives today. Fear wreaks havoc on our relationships and communities. It leads us into making bad decisions. It holds us back from the very pursuits that promise fulfillment and joy. As the senior pastor of a large, diverse church in America's heartland, Adam Hamilton has seen the cost of fear up close. When he surveyed his congregation on how fear affects them, 2,400 people responded—and what they said was eye-opening. Eighty percent admitted to living with moderate or significant levels of fear. *Unafraid* is Hamilton's insightful and impassioned response. Drawing on recent research, inspiring real-life examples, and fresh biblical insight, Hamilton uses a mixture of facts and faith to help readers understand and counter fears related to such outside perils as death and illness, as well as the everyday anxieties all of us encounter. He

invites us to: Face our fears with a bias of hope Examine our fears in light of the facts Attack our anxieties with action Release our cares to God Writing with generosity and intelligence, Hamilton shows how believer and unbeliever alike can develop sustaining spiritual practices and embrace Jesus's recurring counsel: "Do not be afraid." For anyone struggling with fear or wondering how families and communities can thrive in troubled times, Unafraid offers an informed and inspiring message full of practical solutions.

Overcoming the Spirit of Fear and Worry Mar 09 2022 Fear simply means to believe a lie. A lie opposes the truth. It is the absence of faith because faith and fear can't dwell in the same heart or spirit. When faith comes into your heart fear fades away. If somebody says, "I believe in God but I am afraid of demons or evil spirits, he or she isn't telling the truth because you can't have faith and fear at the same time. When you have faith in God you become bold like a lion. Fear is a spiritual force that the Devil uses to gain access to the lives of people. There is a simple rule in this world, whatever you fear is going to manifests in your life. For example, if you fear sickness it is going to manifest in your life, and so on.

From Fear to Faith Aug 02 2021 There's a stereotype of a young, zealous Christian who feels called to the ministry as a pastor, goes to seminary, and then loses his faith as he studies the writings of all those intellectuals and theologians. The stereotype may not be accurate, but there are those who fit this description, not to mention many who leave home for college as passionate Christians and come home unbelievers. More importantly, that stereotype represents a fear-the fear that too much education or contact with those whose beliefs differ from those of a particular community will cause someone to lose their faith. But there's another group, much larger, but not heard nearly as frequently. This group consists of people who have gone from the position of fear that creates the stereotype to a position of faith, a faith that is no longer afraid of that outer darkness that looms outside the walls of their religious community. Indeed, they may not perceive any looming darkness at all. From Fear to Faith, edited by Travis Milam and Joel L. Watts, gives voice to that too often unheard group. It is a collection of essays from those who have lived in fear, have faced the looming dark, collided with their share of brick walls, but have come out with a new-found faith and undismayed trust. The journeys of faith presented in this book reveal a group deeply insightful and grounded minds, rich in thriving spirituality, joy, and hope. Where there was once trepidation in asking the tough questions of human existence, of the divine relationship with creation, there is now a certain hope found when these authors have struggled to overcome canyons of fear, leaving behind a life of black and white certitude, to live in a beautiful world of gray. They have learned that having questions and even doubts does not reflect a lack of faith. Rather, hiding in fear from the serious questions indicates a lack of faith in the one who said, "Don't be afraid." Come join in this journey from fear to faith.

Overcoming Anxiety Dec 18 2022 "Powerful, encouraging and helpful..." Anxiety, worry and fear are powerful emotions that we all experience to one degree or another. During some seasons

of life, these emotions may feel particularly strong and paralyzing. What can we do when we're going through such a season? We can look to God's Word for counsel. God's Word is filled with wisdom. The primary purpose of Scripture is to point our hearts toward Jesus and help us to realize that when we have Him, we have everything that we truly need. This is particularly true when we're struggling with anxiety. In this book, you will find a concise exposition of what the Scriptures say about anxiety as well as what we're encouraged to do with worry and fear when we experience them. The content of this book is meant to be both encouraging and motivational as you seek the Lord's help to overcome the anxiety that may presently seem to be overcoming you. This book is not meant to be read once and then forgotten. It is organized into 12 helpful sections that can be read together or individually. You will get the most out of the content if you read it multiple times, highlight what stands out to you, and prayerfully reflect on the content of the Scripture being discussed. Holy Vulnerability Nov 17 2022 Life can seemingly be fine on the surface. But for any of us who scratch that surface, we recognize anxiety, shame, disappointment, and regret. And yet, in the depths of these feelings, in the things we hate about ourselves, others, and this world, we can invite God's presence. This is the essence of holy vulnerability. To enter into holy vulnerability is to intentionally expose our raw wounds so that God can heal and mend and transform us. What happens when we refuse this depth of healing? Something that author Kellye Fabian calls "unholy leakage"--that thing that happens when we are afraid, ashamed, or anxious, and instead of facing the reality of what we're experiencing, we just spill it on everyone around us. Where is anxiety occupying our hearts and minds? Where is fear hindering our relationships and limiting our faith and joy? Where is shame causing us to question our self-worth? Is there another way? Yes. Holy Vulnerability unpacks six atypical, unexpected spiritual practices intended to open us to God's healing and transformation. Through practices like laughter, community, and tangible engagement with creation, Kellye guides us to notice where brokenness is breaking into our lives. And as we intentionally seek God in the midst of these practices--as we step out in holy vulnerability--God will meet us there.

Spiritual Depression Dec 14 2019 Spiritual Depression is one of the great classics of the modern Church and tackles the big question: If Christianity is such "good news" why are its

followers often unhappy? Dr. Martyn Lloyd-Jones was possibly the greatest Christian preacher and teacher of the twentieth century. A medical doctor by training, *Spiritual Depression* draws together his professional understanding of the mind with a profound understanding of Christian teaching and the Bible. *Spiritual Depression* diagnoses the causes of the ill feeling that many Christians experience. No Fear Here and I Do Not Fear May 19 2020 *No Fear Here and I Do Not Fear* There is a fear family. The sole purpose of the members of this family is to steal from you, rob from you, and destroy your life. Fear is one of the enemy's major weapons used to rob from you, kill you, and destroy your visions and dreams in your life. Panic attacks, phobias, feeling overwhelmed, and anxiety are just some of the members of the fear family. Fear is a spirit sent forth from the devil to steal, kill, and destroy your life. God has not given us a spirit of fear but of power, and of love, and of a sound mind. (2 Timothy 1:7) *No Fear Here and I Do Not Fear* provides a blueprint on how to live free of fear and how to rewrite the table of your heart. Every born-again child of God has the right to live free of fear and is well able to do so. Listen carefully: I have given you authority [that you now possess]...and [the ability to exercise authority] over all the power of the enemy [Satan]. (Luke 10:19 AMP)

The Role of Fear in the Spiritual Life Jun 12 2022

Extinguishing the Spirit of Fear Jan 07 2022 If fear and anxiety are things you struggle with, let's walk this path together and find help. We fear what is awaiting us with every new day. We're anxious to find a place where we feel we belong, like we're accepted. We stay awake at night thinking of all the work we've yet to finish, and we turn on the news only to find more reasons to lose sleep. Another shooting. Another contentious election. Another untimely death. Another reason to fear and let anxiety blow the sails of our souls. What are we to do? A brief Google

search offers an abundance of cures. Our problem is we're unhealthy, so here's a 6-week exercise program with guaranteed results. The problem is you're using the wrong productivity system so you're behind and anxious. Buy this book and its corresponding 3-month planner. Actually, what you need are more Instagram followers. Once you hit 2,000 everyone will love you and you'll never be stressed again! Here's the truth. The problem is they don't go deep enough. They don't bring us to the root of our anxiety. It's like slapping a band aid on a flesh wound; they bring only marginal healing. What's needed is to go deeper because when you get down to the root, when you dig through the fog of anxious despair, you find there's another reality, another dimension hardly spoken of. This is the dimension of the soul. We are not only flesh and bones but also souls. Souls who are crafted by divine fingers for something more than what this world has to offer. In this kingdom we find promises which are kept, words which will never perish, and a God who has a personal history with anxiety and fear. A God who took on human flesh to free us from our anxious plight. If you keep looking, you'll find an endless supply of reasons for your heart to be troubled. If you look to the Man Christians call Messiah, you'll find an endless supply of reasons for your heart to have peace. In the process, you'll find peace isn't a thing to be had but a God to hold onto. What you'll find in these pages isn't a quick fix or a one size fits all solution. No. You might not find anything, in fact. Or you may just find your whole being re-oriented at your deepest level. You may find that peace you've always been looking for. You may find yourself with Jesus of Nazareth.

Faith Without Fear Sep 22 2020 Ever felt bitten by a fundamentalist? Or had your biblical understanding discounted by a conservative? Or the validity of your beliefs questioned by a zealous evangelical? If you have, then you will find *Faith without Fear* absolutely therapeutic, with its fresh, honest, and unique approach to both Scripture and the faith. After the publication of his award-winning *You Don't Understand the Bible Because You are Christian* (2014), Richard Gist has reemerged to subtly combat religious theologies that are constructed on a fear of God, those "you must be born again or you will be left out of heaven" approaches to life and Divinity. The antidote: trusting the loving purposes of God and reading Scripture "straight up," that is, rationally, historically, and through sound scholarship. And having fun doing it. Mr. Gist is a United Methodist clergy person who has spent a twenty-three year retirement researching and writing on biblical subjects. He shares his findings honestly, sometimes fervently, and often humorously to vividly open up biblical stories in readable and engaging terms. Again and again the reader will respond, "I never thought of it that way before." He does, however, proceed with the expectation that his audience has both an interest in Scripture and a modest acquaintance with its content. The book asks probing questions, but following Old Testament writing techniques, does not provide answers. Everyone has to think for themselves. Mr. Gist explores some stories through the question, *cui bono?* Who profits from telling the story this way? Have you ever done that before in your Bible studies? It leads to new places. The author sometimes strays beyond Scripture to share personal stories, offer spiritual insights, and to present a smattering of philosophy. The Table of Contents provides a few hints of what you will find in the book. Undergirding everything is the author's absolute trust in the unconditional love of God. As the title of the book suggests, fear should not be a part of our relationship with the Divine. "God never forgives because God never condemns."...
