Sleep Nov 19 2022 Proven solutions for a better night's sleep, from the "sleep guru" to elite athletes--rest for success in work, sports, and life One-third of our lives--that's 3,000 hours a year--is spent trying to sleep. The time we spend in bed shapes our moods, motivation, alertness, decision-making skills, reaction time, creativity...in short, our ability to perform, whether at work, at home, or at play. But most of us have disturbed, restless nights, relying on over-stimulation from caffeine and sugar to drag us through the day. The old eight-hour rule just doesn't work, and it's time for a new approach. Endorsed by leading professionals in sports and business, Sleep shares a new program to be your personal best. Nick Littlehales is the leading sport sleep coach to some of the biggest names in the sporting world, including record-breaking cyclists for British Cycling and Team Sky, international soccer teams, NBA and NFL players, and Olympic and Paralympic athletes. Here, he shares his proven strategies for anyone to use. You'll learn how to map your unique sleep cycle, optimize your environment for recovery, and cope with the demands of this fast-paced, tech-driven world. Read Sleep and rest your way to a more confident, successful, and happier you.

The Other 8 Hours Feb 22 2023 You sleep (hopefully) for 8 hours. You work (at least) 8 hours. What are you doing in those remaining 8 hours of your day, and more importantly, what are the other 8 hours doing for you? To the bleary-eyed worker who doesn't have time to stop and catch his breath, the idea of having 8 hours may sound absurd. If that's you, this is your wake-up call. THE OTHER 8 HOURS provides a blueprint that will help you carve out more time in your day and find the inspiration to spend that free time in a more productive way. Whether you want to pay off debt, make more money, start a business, develop a hobby, write a blog, or write the next great American novel, Robert Pagliarini will get you closer to living a richer, more fulfilled life. In THE OTHER 8 HOURS, you'll learn how to: - GET MORE TIME: Chances are you are overworked, overscheduled, and overstressed. There's too much to do and not enough time. You can create hours of additional free time you never knew you had. - GET MORE MONEY: Traditional financial advice has likely left you frustrated and stuck. Pagliarini introduces new, highly-effective yet unconventional strategies. - GET A LIFE: In order to "get rich" you have to "get a life." The other 8 hours ultimately determine your happiness and net worth. With anecdotes and inspiration from many who have taken control of their other 8 hours, plus hands-on tools for getting started, minimizing risk, and maximizing success, you'll discover new ways to radically improve your life both personally and financially. Isn't it time to recapture your time and your life?

8 Hours or Less Jan 21 2023 What every pastor wants: more time. The clock is every pastor's nemesis. Between meetings, administration, counseling, and other duties, it's hard to find enough time for sermon prep. Unless you change the process. 8 Hours Or Less will show preachers how to write the same sermons they've been writing, but in half the time. Author Ryan Huguley reveals: The biggest time-wasters in sermon prep The five marks of a faithful sermon A day-by-day plan for writing sermons Tips for preparing your mind, heart, and notes for preaching Common pitfalls in ending a sermon And more Huguley is a pastor and the host of a podcast featuring leaders like Matt Chandler, Doug Wilson, and Nancy Ortberg. What he shares in 8 Hours or Less is a process he's been refining for six years, and it has radically improved both his preaching and experience in ministry. Why work harder when you can work smarter? 8 Hours or Less brings relief to the time crunch and helps pastors be healthier, more balanced, and more effective—all without making their sermons suffer for it.

8 Hours Till Ecstasy Oct 18 2022 MARK EDWARDS HAS 8 HOURS TO LOSE HIS VIRGINITY . OR D I E . At 4:00 p.m. on New Year's Eve, thirty-eight-

year old Mark Edwards is wearing a cheap wig, sweating profusely, and decomposing while sharing a candlelit dinner with his gluttonous, self-absorbed, and kind-hearted date, Alice Jones. Set in a four-story walk-up apartment complex of studios in Manhattan, Mark is the glue bonding five multi-generational, lonely, jealous, and eccentric tenants. Struggle, conflict, and reconciliation arise from their bruised optimism following: a failed marriage, the death of a spouse, a painful betrayal, and plain bad luck. Haunted by the reappearance of Mary Henson, Mark's teenage girlfriend who died in his arms twenty-four years earlier, he discovers the love he's spent a lifetime seeking, survives in a powerful secret revealed to him from the afterlife. Jonathan M. Schwartz was born in Miami, Florida in 1966 and moved to Boston in 1984 to attend Emerson College. In 1992, he earned a Master's degree in Speech-Language Pathology from City College of New York. Jonathan moved to Ocala, Florida in 1994 and currently provides speech therapy services through his company Empower Rehab. 8 Hours Till Ecstasy is his debut novel.
